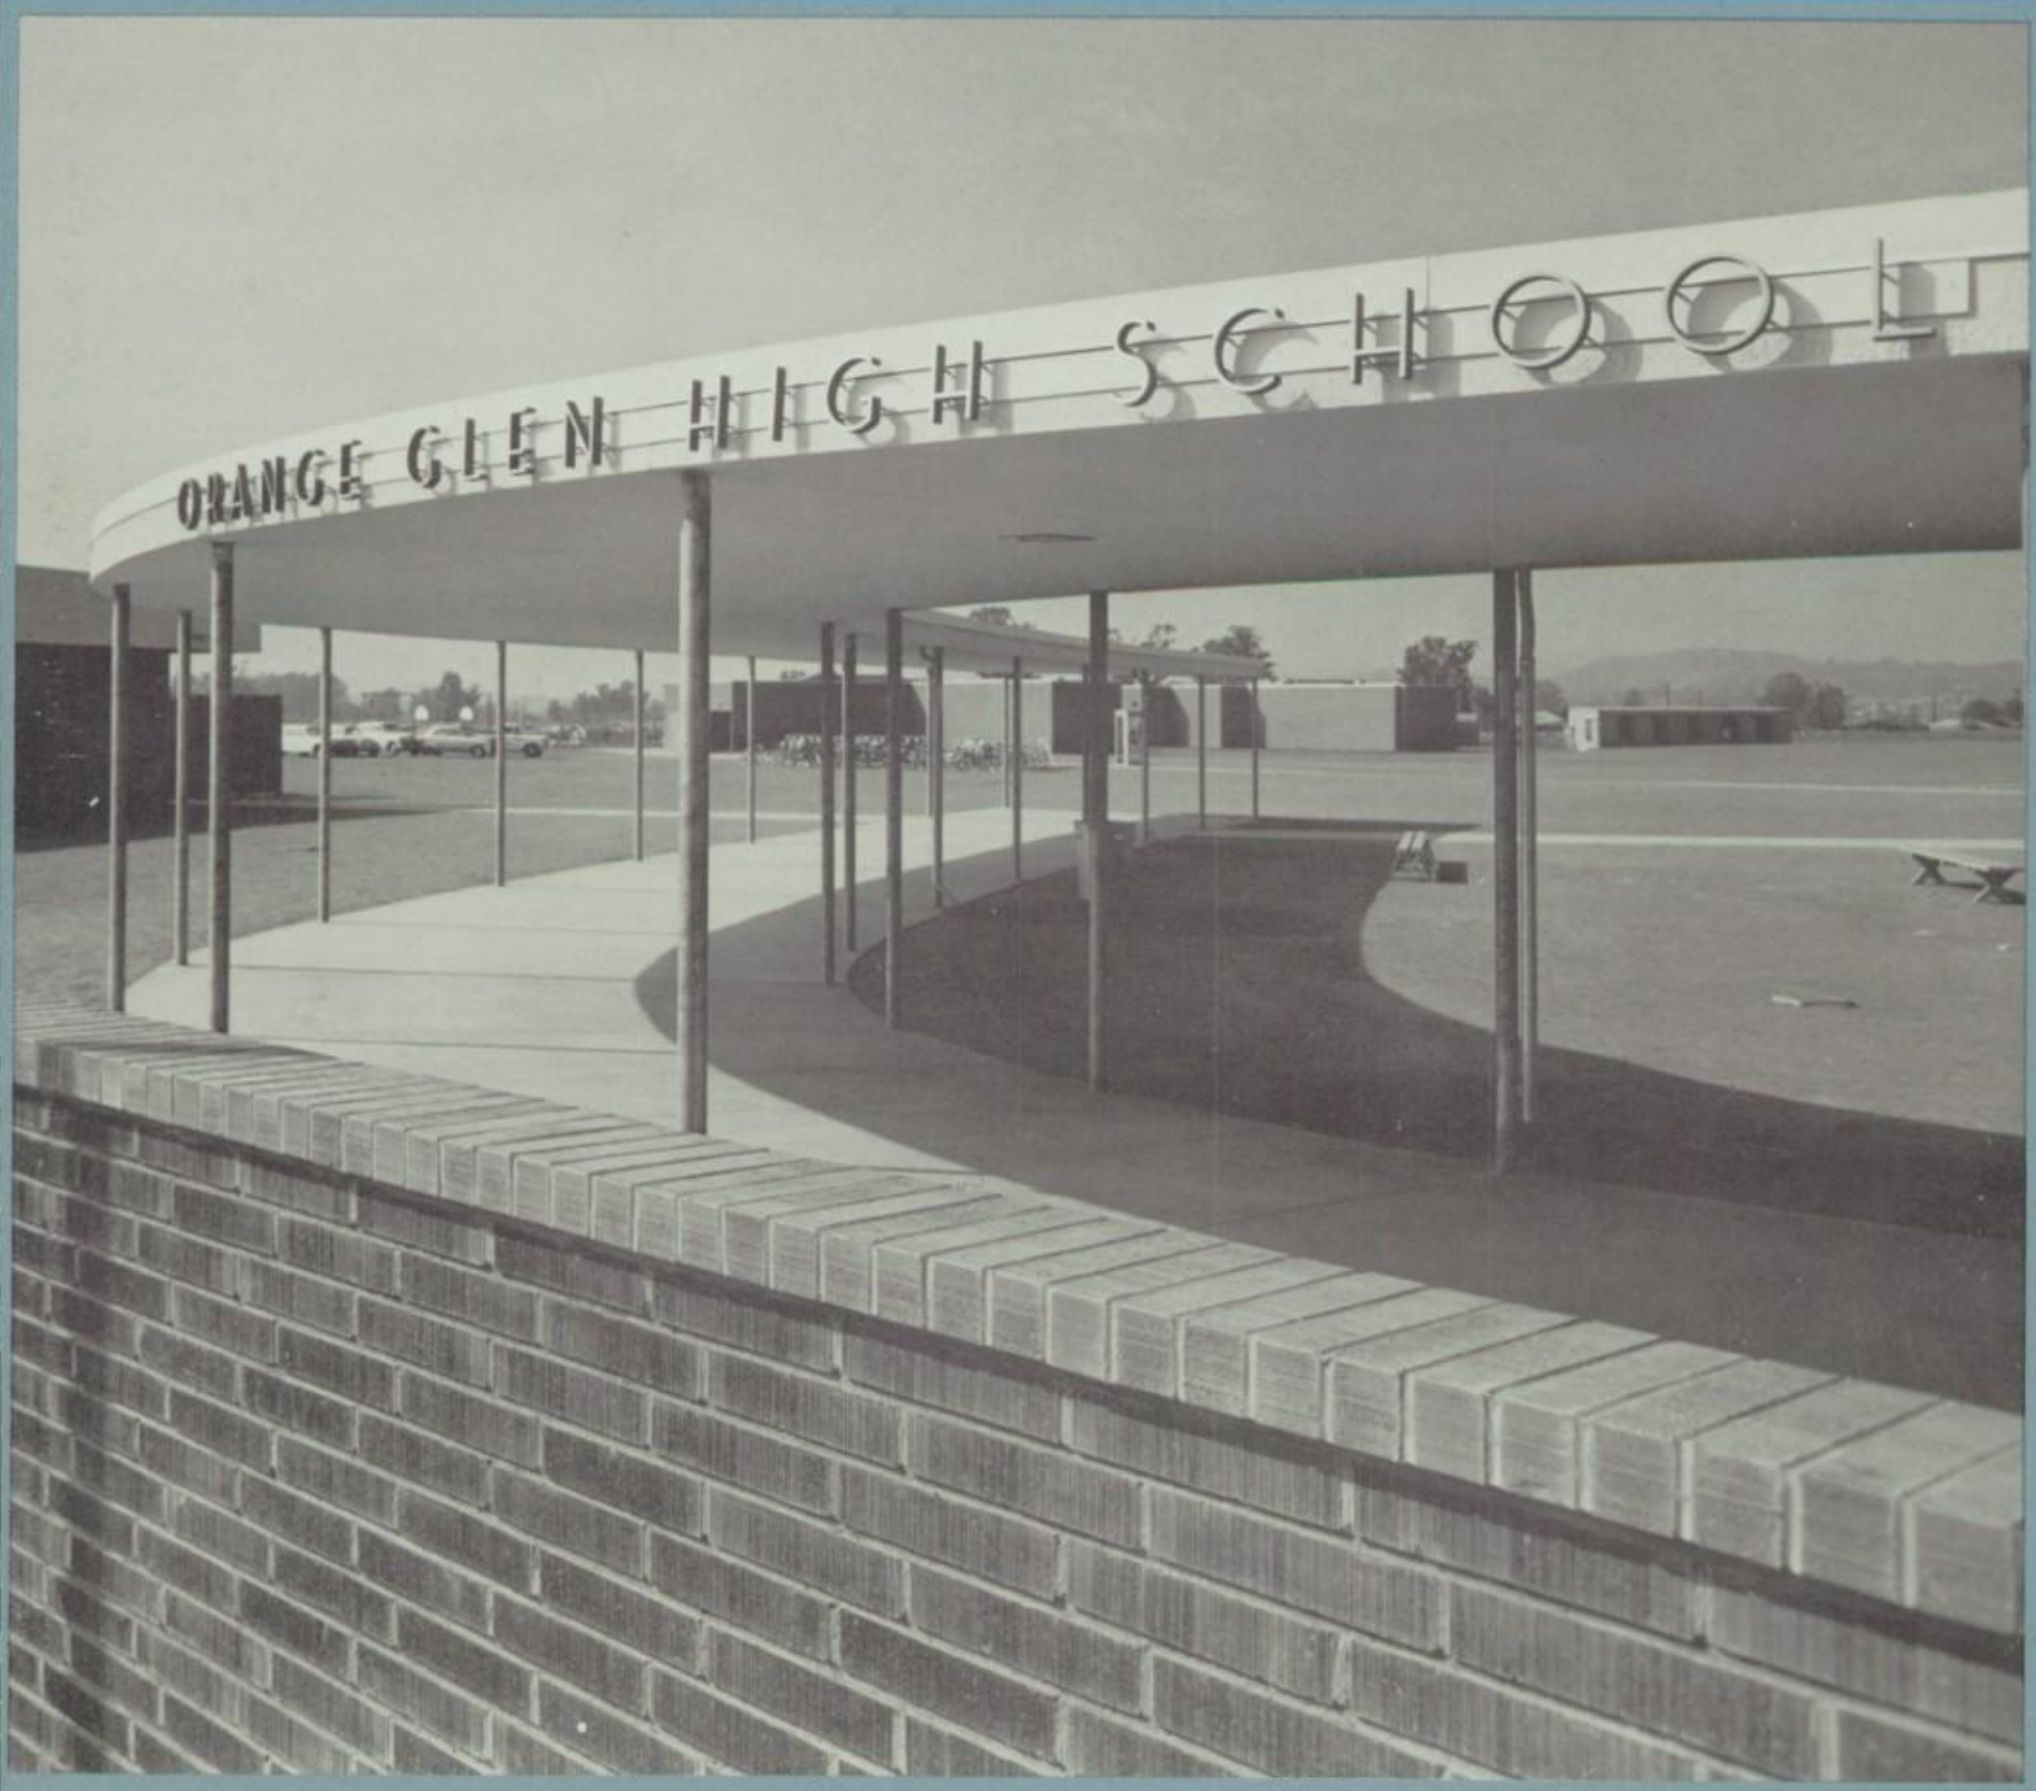
Orange Glen opened its doors in 1962 with many hopes and ambitions for the future. Now, a quater of a century later, these dreams have been fulfilled in the form of one of the finest schools in the state. What began as a small group of classrooms on a former dairy farm has grown into the largest and most recognized schools in Escondido. Patriot pride can be seen everywhere - from the classrooms, knowledge, to the athletic feilds, where our Patriot athletes push there bodies to the limit for victory. Pride can also be seen in the hallowed hallways of this Alma Mater, where each and everyone of us, the student body, is quite aware of his good fortune and knows how important and special it is to be a Patriot. The notoriety and success Orange Glen has gained recently is a major indication of what a great deal of pride can do.

The editors and staff of the Torch have compiled this yearbook with the hopes that it will provide an introspective look into the past, as well as a glimpse of the future. Orange Glen looks to the future with anticipation and the knowledge that Orange Glen's flame will keep on burning as long as there is Patriot pride to fuel it.



Summer's End

A

B

C

As the summer of '86 wound down, students began to settle back into the everyday routines of school. Fall athletes came back early to gear up for the coming season, and some students frantically searched for reasons not to come back at all. But as usual, everyone came around, excited by curiousity and the advent of another year.

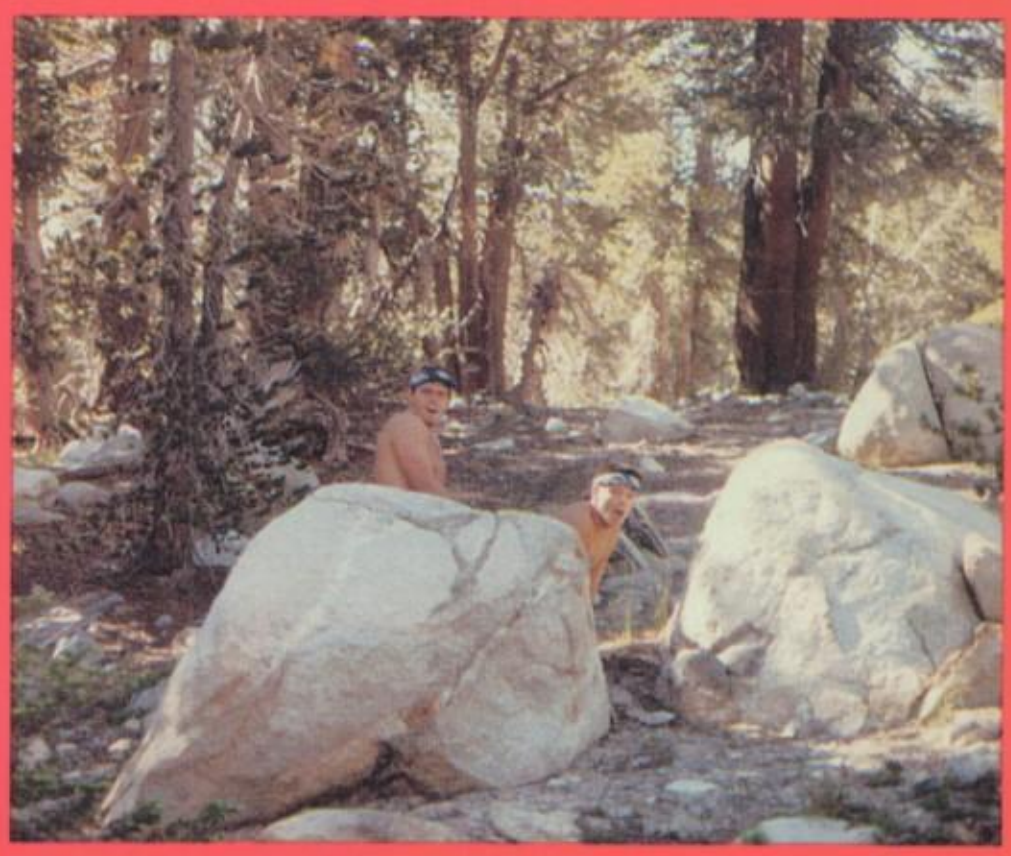
Soon summer became a dim memory for most. Laying on beaches and beside pools, as well as frequent trips to the air conditioned North County Fair occupied a lot of students' days. Full or part time jobs and summer school may not have been on the top of the list of priorities but they proved beneficial in the end. However, the nights were the hottest part of the summer. There was always something good to do. The movie theaters were always jumping on Mondays and Tuesdays when admission was only a dollar. The experience was always more social than theatrical though. Local dance clubs, such as After Dark and Distillery East usually offered free or discount admission on Wednesdays and Thursdays, as well as a few concerts with semi-popular bands occasionally.

Everyone came out on the weekends. Valley Parkway continued its amazing reign of poularity with several car and truck clubs cruising on Friday and Saturday Nights. Quik Corner remained the party hotline or just a hangout when there wasn't anything good going on

The usual summer activities also came into play such as camping at the beach, waterskiing at the river, sailing, skateboarding and everyone's favorite sport, surfing. This summer San Diego County hosted a phenomenal array of exceptional acts such as The Cure, Depeche Mode, the Smiths, Van Halen, INXS, and Run-DMC.

However we spent our summer, its comforting to know that it was spent in the best way possible and the memories made were unforgettable. For a lot of us, it was our last summer as high school students and as we venture into the real world as it were, those memories will always make us smile.

D



F

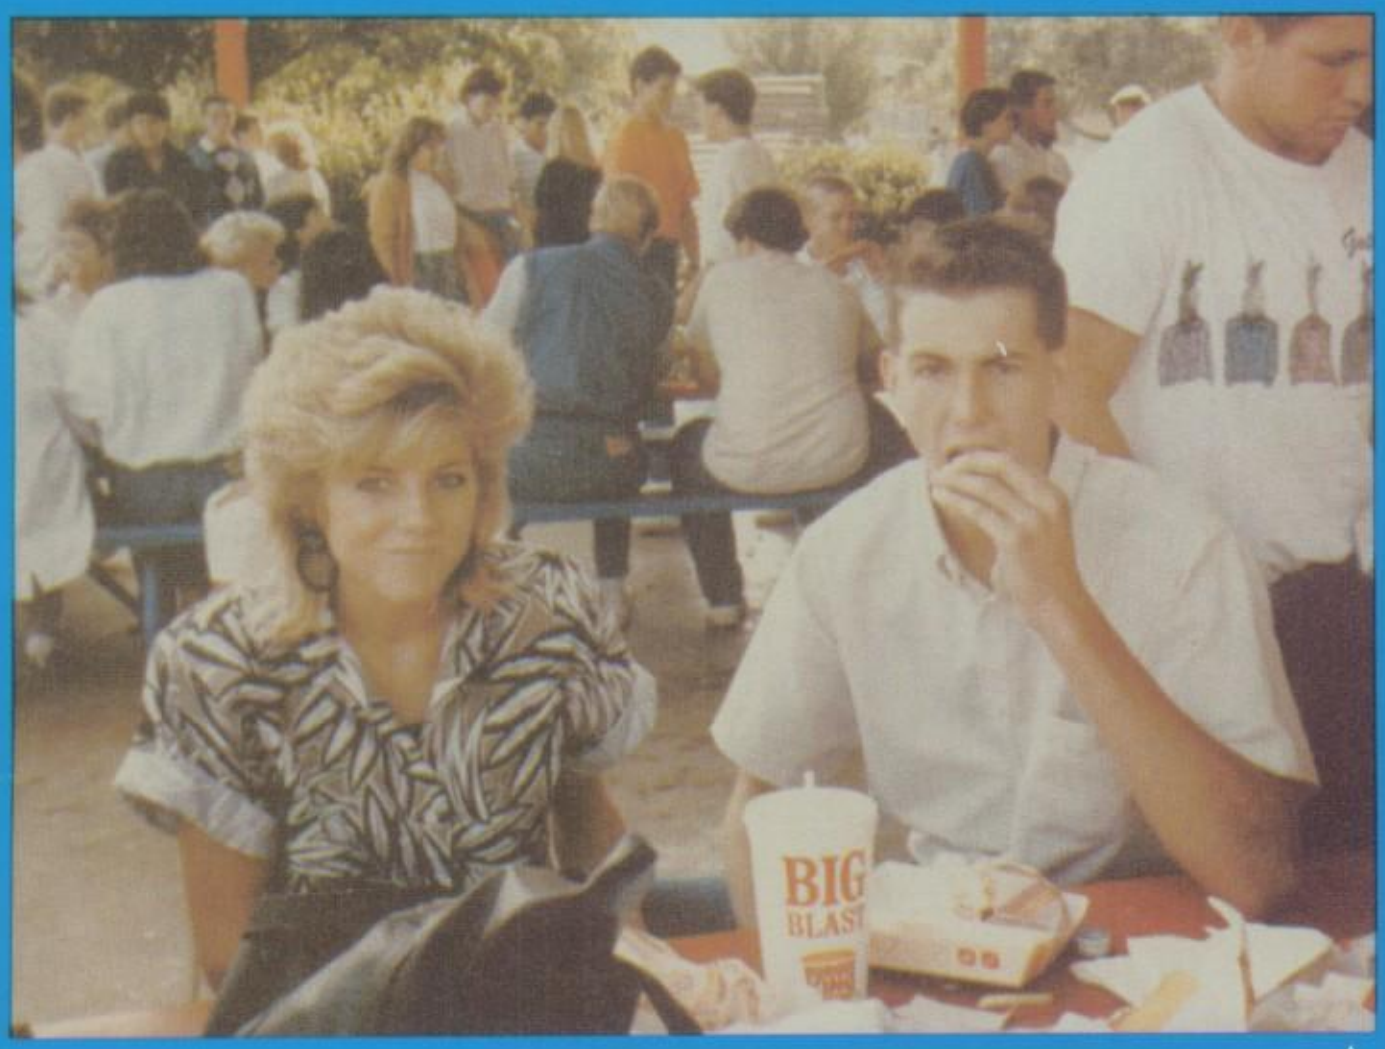
A: Soaking up the rays, Cristina Whiteley and Joann Napier pretend to be lifeguards.

B: A group of football players sit around the campfire during the Sierra trip over the summer.

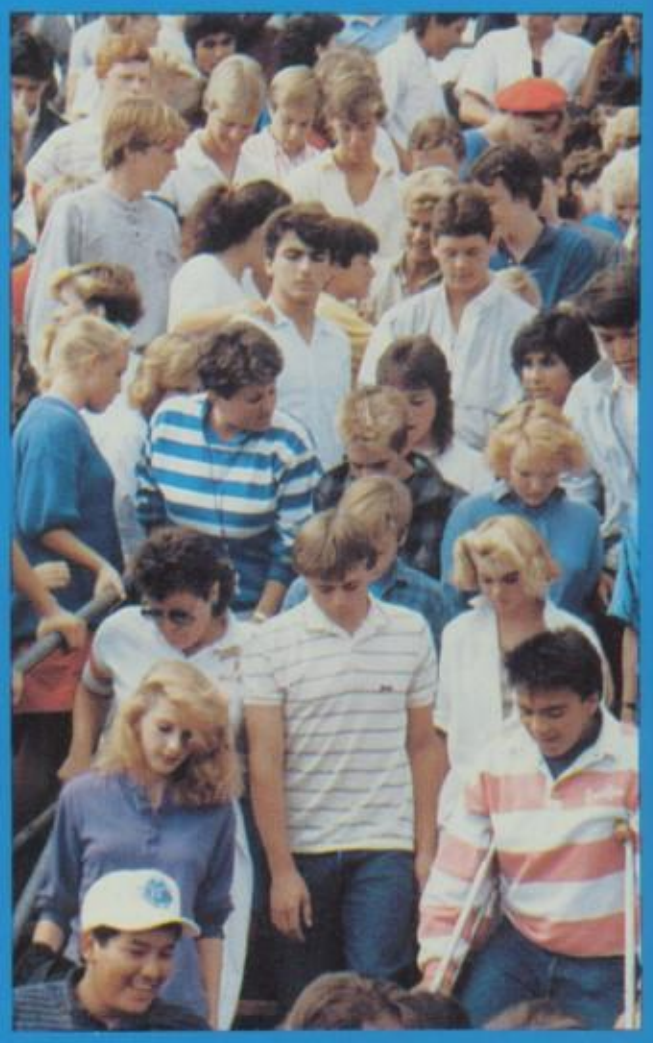
C: Modeling the furs at Nordstroms Felicia Bunce and Leonora Whiteley show us what fun it is to be rich.

D: Knowing summer has come to an end Stacy Trafton and Vicki Van Horn spend a day at the beach together.

E: Caught off guard Duffy Daugherty and Ricky Martinez spend their free time together.



A

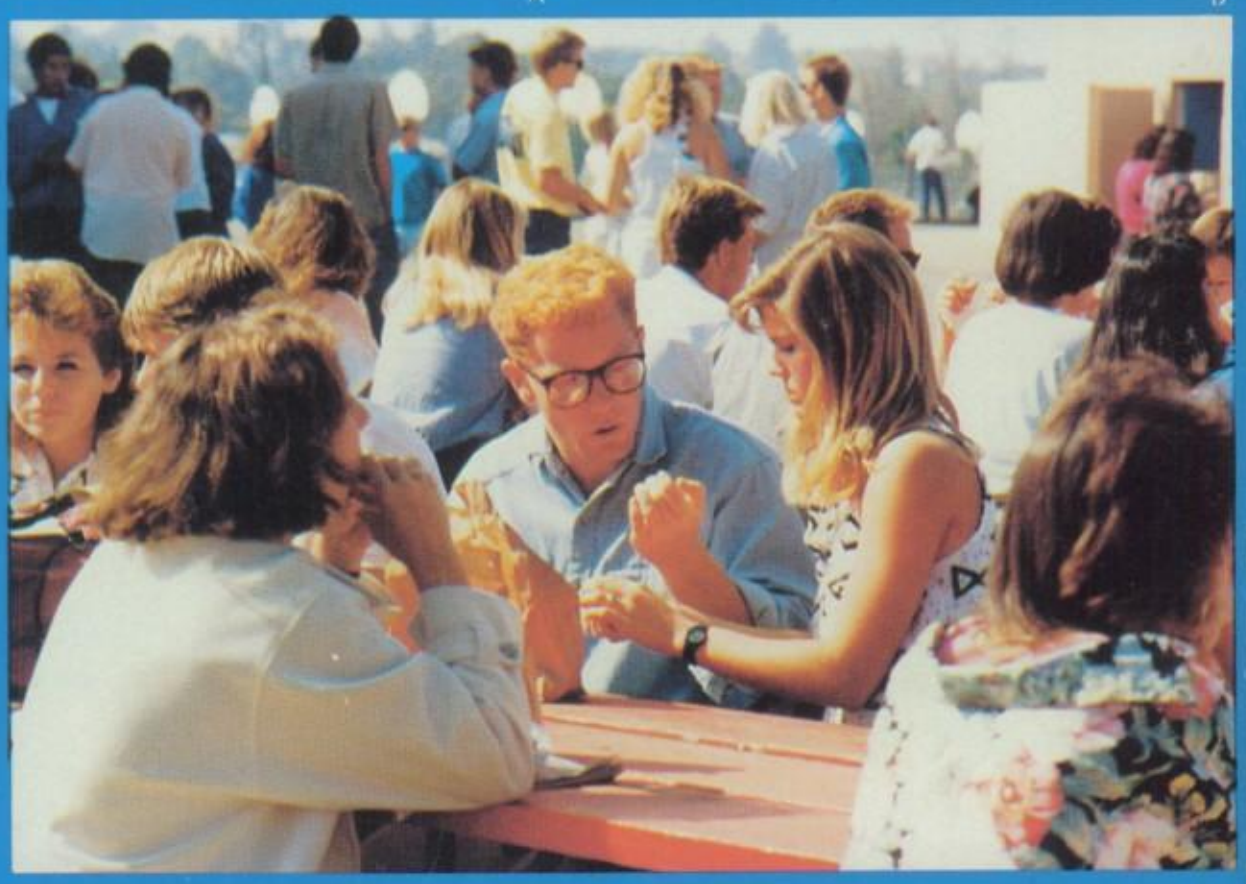


B

A: With the school having closed campus, Mike Suchy somehow found a way to smuggle Burger King food on Campus and share it with Stacie Smith.

B: Assemblies were among a few of the activities that the students participated in.

C: Finding time to play games, Erica Leigh and Jim Rider enjoy their time spent together.



C

The Sophomore year of closed campus instilled in the student body a closer sense of pride and spirit. The students became more active on campus and a more traditional high school feeling was reached.

Pep rallies created an abundance of spirit among both the players and the audience. The cheerleaders helped in a big way by leading the school in the fight songs. The ASB and football players provided their usual hilarious antics in the class competitions, and the Patriot band provided the back beat.

Clubs became more active on campus with more people around at lunch to join them, and throughout the year they provided various benefits and services around the school.

O.G.H.S. cafeteria imported Del Taco burritos and Godfathers pizza on Tuesdays and Thursdays, along with their basic culinary delites. The DECA store, as always, provided the junk food for everyone else.

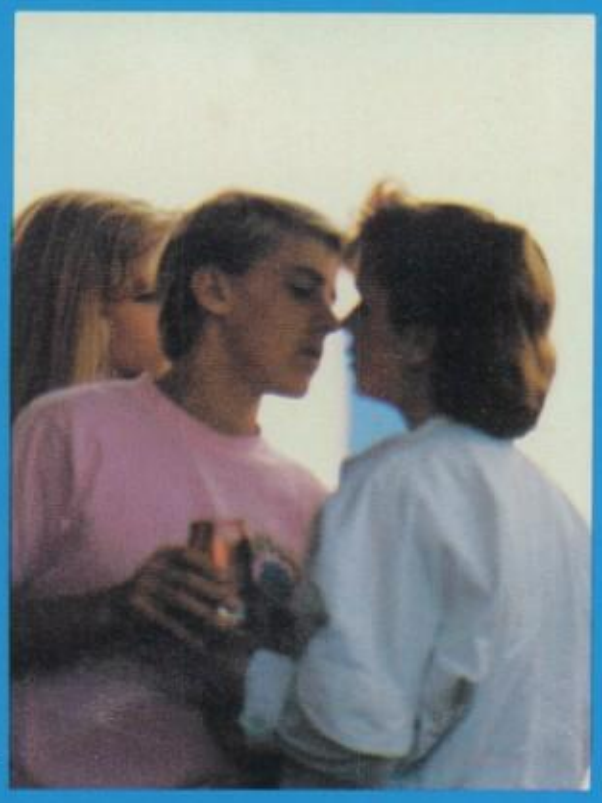
The ASB elected a music commissioner and an excellent choice of music was played daily during lunch for better digestion.

All in all, the campus attitude has improved greatly since last year and everyone has pretty much adjusted to the routine.

D

E

F



G

D: Coke: "Hey Milk, Coke is it!"
Milk: "No Coke, Milk does a body good!"

E: The Homecoming pep rally was a big hit as coach Gilster and coach Warren sing "You've Lost That Loving Feeling."

F: Walking to the Deca Store Brian Bulluck and Mike Allen decide what they want to buy.

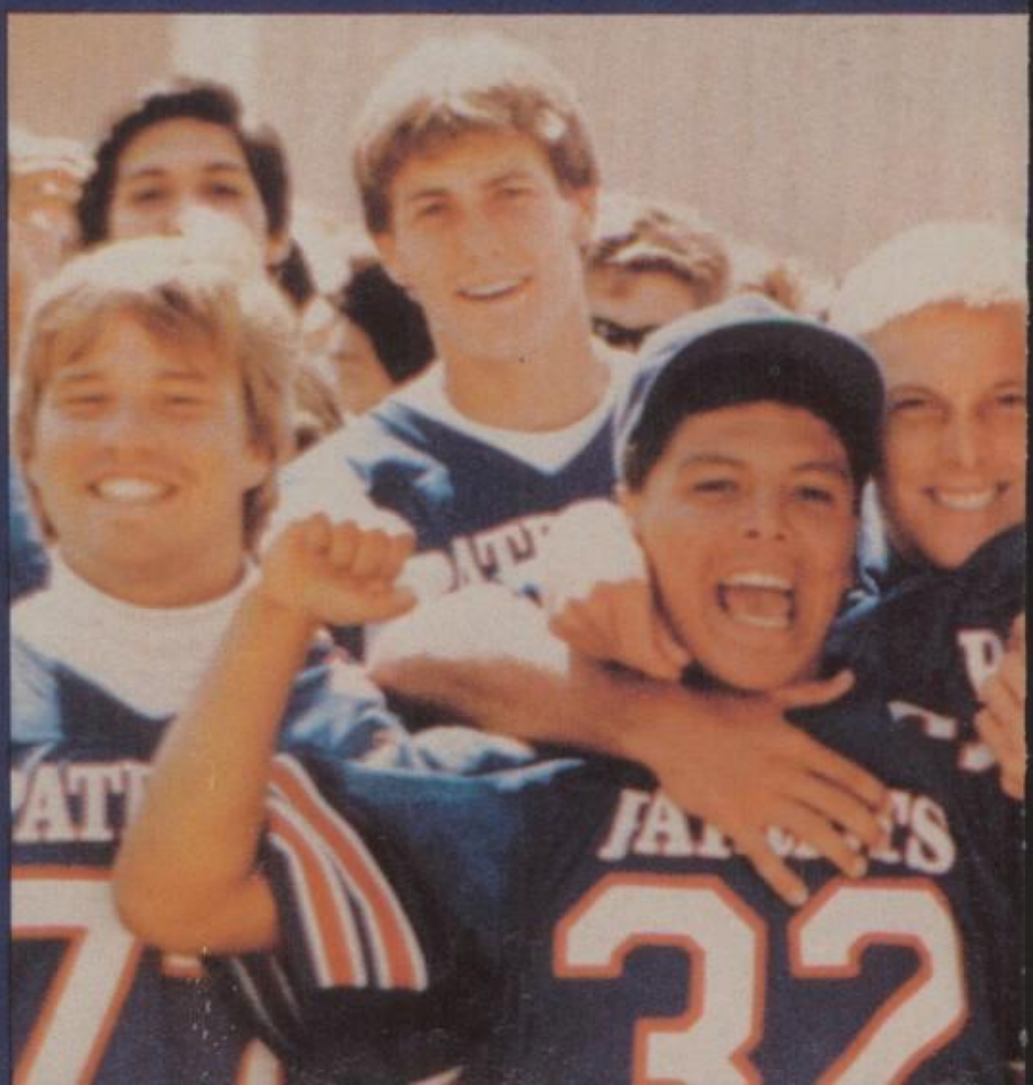
G: Some friends are closer than other friends as Jeremy Matlock and Meredith Rodenbaugh demonstrate.

Friends

A shoulder to cry on an ear to bend
Money to borrow clothes to lend
Friday night movies afternoon walks
Being together our private talks'
Mending our hearts crying those tears
Planning our future voicing our fears
Our memories together may they never end
Always together

Forever Friends

A



A: Longtime friends, Lynn Haywood and Lisa Murphy give us their best smile.

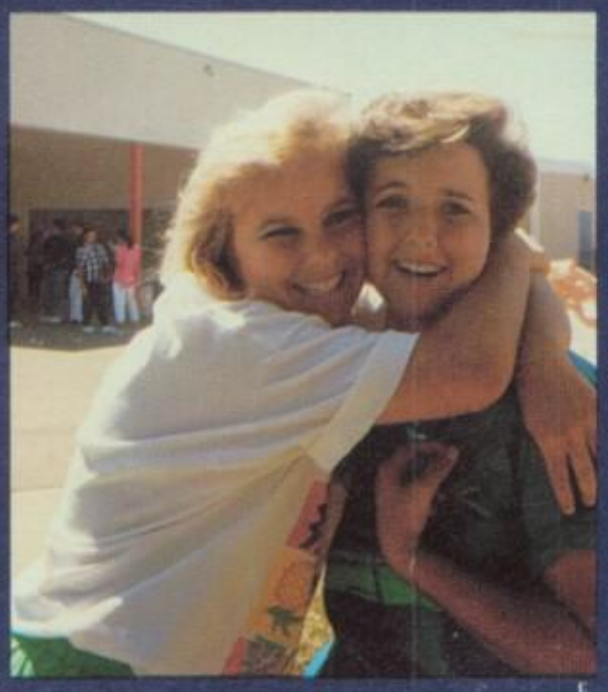
B: Good friends are hard to come by, Gregg Anderson and Tom Esposito can attest to that.

C: Seniors Scott Trout, Mike Suchy, Rick Martinez, Scott Carlovsky, and Kevin Pressly, get pumped up for the big game.

Of all the treasures of this world, there is one more precious than diamonds, and more priceless than gold. This treasure is intangible, but it provides the most open communication, the noblest suffering, the severest truth, the heartiest counsel and the greatest union of minds of which we are capable. Without friends, life would seem dull and colorless. Good friends add vibrant color to a too oftenly grey place.

Friendship improves happiness and abates misery, by doubling our joy and dividing our grief. It provides the chance to talk about everything, and when there is nothing to say, the silence is not uncomfortable. A good friend will never leave when you are down, and is always there to encourage and give support on your way back up. Jealousy is defeated by immense pride, and a smile or a touch is worth more than a million words. There is no one word that can describe the feeling of true friendship but support, sympathy, solace, joy, pain, despair, gratitude, relief and love combine to produce that wonderful feeling. Great comfort is found in the knowledge that no matter where you go, what you do, however numerous your faults and grave your mistakes, there is someone who takes you and loves you for what you are, with no requirements or expectations, of anything in return. The bond of friendship can never be totally broken, but will only become stronger as time goes by, and that bond will eventually make the difference between destruction and prosperity.

D



E

F

G

D: Brian Starr and a couple of friends gather at lunch.

E: Friends are important, Chris Rutledge and Tracy Cavenough show us how much.

F: The surfers always find time to get together at lunch.

G: Having a lot of laughs, Monica Valverde, Roman Leadman, And Kathy Roy know that friends are fun to have.

Forever Friends

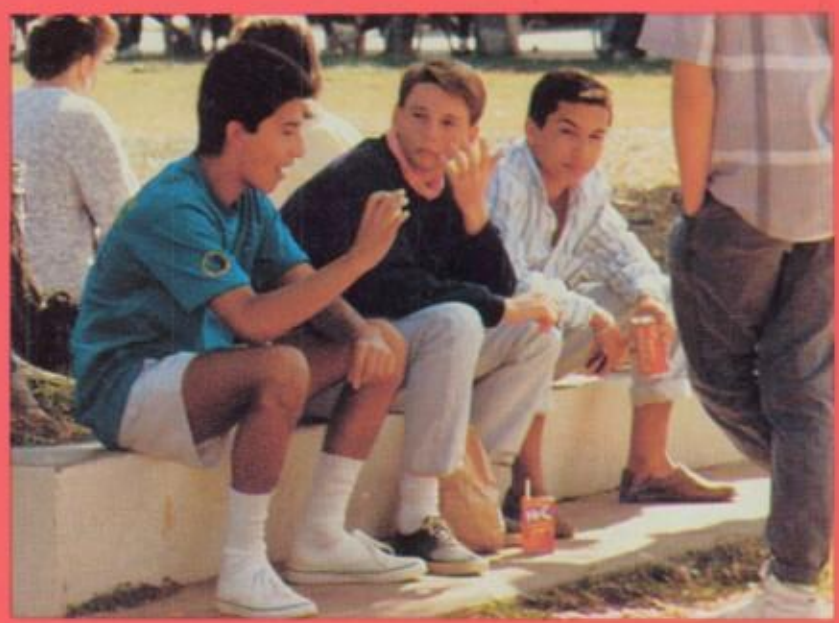
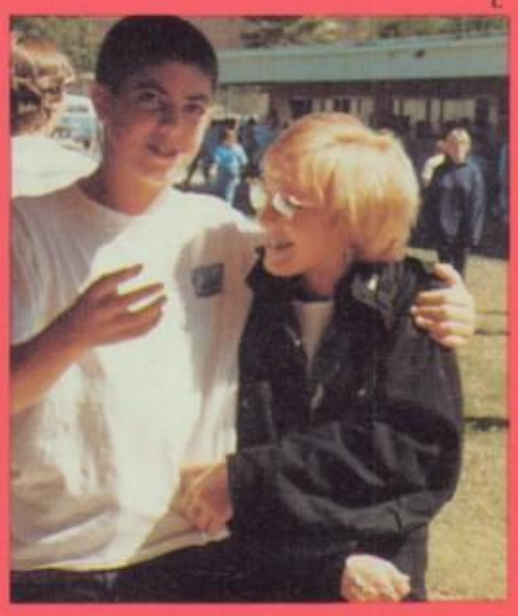
E

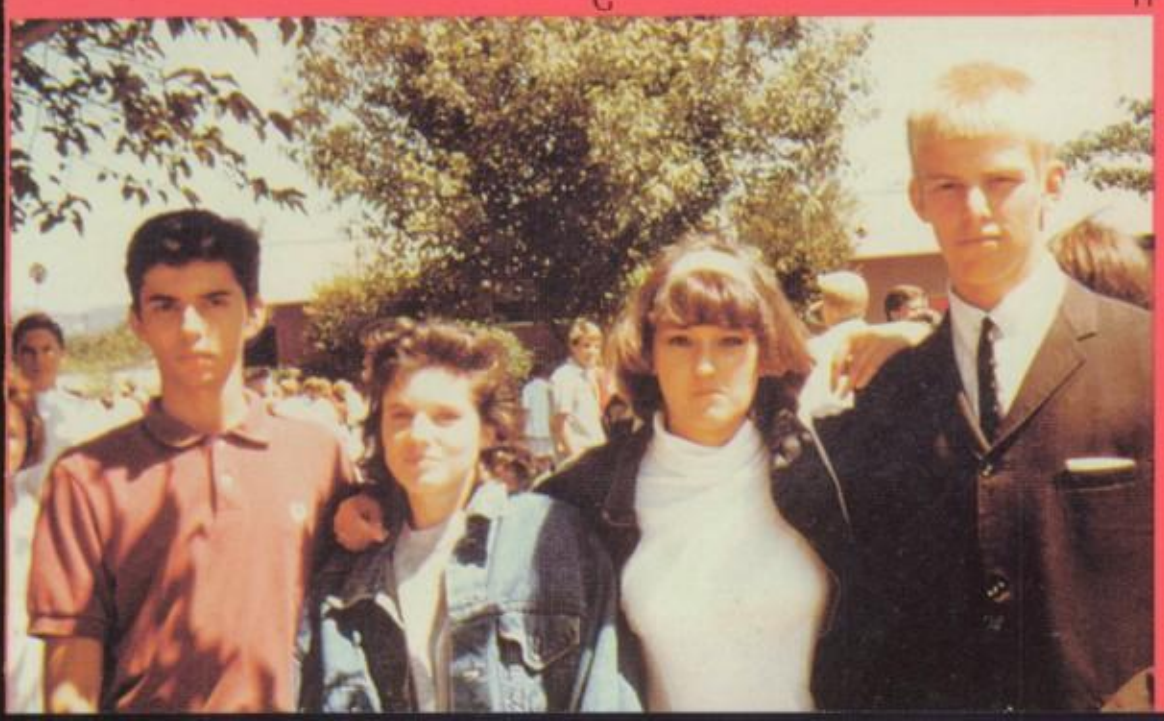


F

G



H



I

A. Sometimes friends just like to hang loose, Chrissy Frantz, Jenny Holsher, & Elke Casrtro show us how it's done.

B: Junior buddies Nikki Ewertz and Cami Allen take time to relax.

C: Checking out some of the girls on campus Brain Bachman and Chris Manson can't believe there eyes.

D: Gary Clinger and Stacy Trafton are just some friends having fun.

E: Dazed and confused Gene Busby and Richard Carter discuss why they came to school.

F: Some friends, Gus Lemus, Jeff Mathis, Fransisco San Felipe sit in the shade and talk about life as underclassmen.

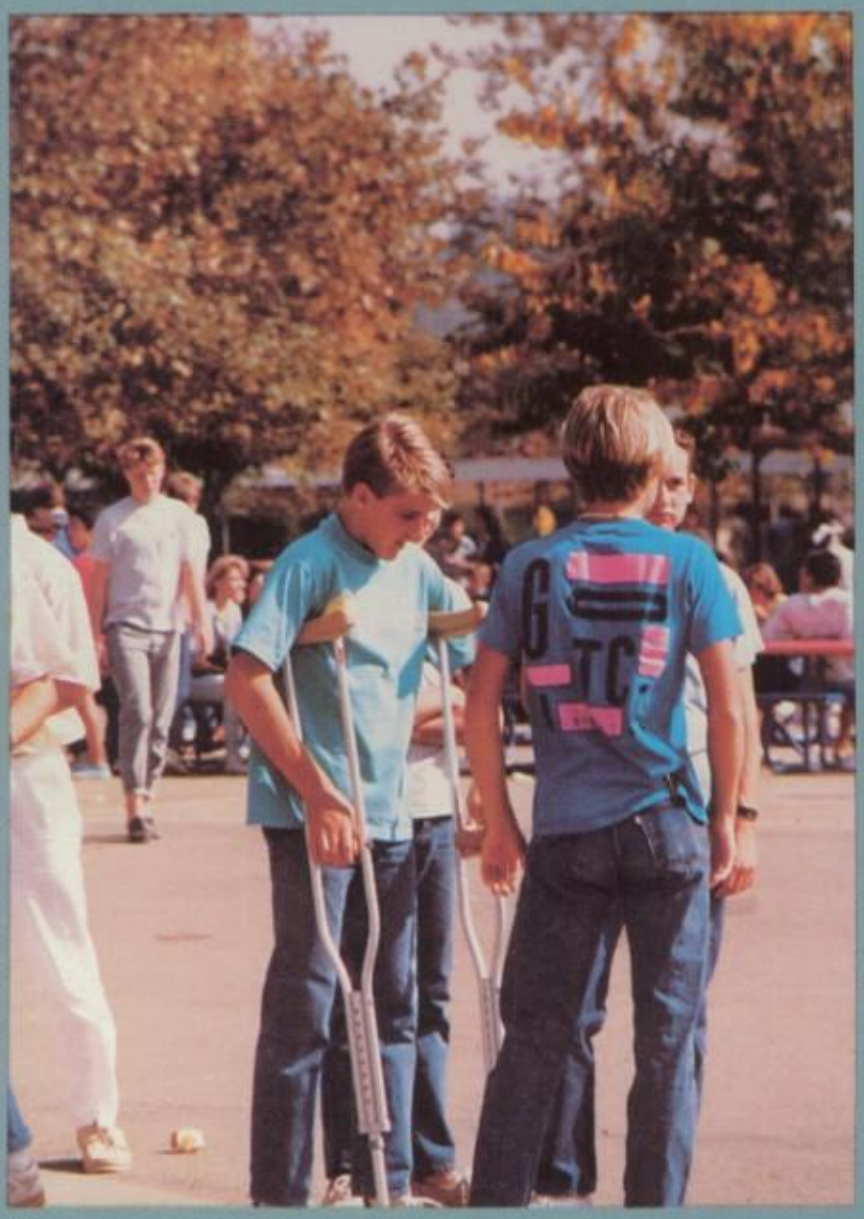
G: Freshmen cheerleaders J.B. Rittgers and Kristina McPherson show us their smiles during lunch.

H: Friends are always there to give advice as Joe Seely explains to Kamia Brown.

I: Styles may come and go but friendships such as Tony Blankenship, Suzie Williams, Stephanie Schorey, and Jeff Guyse, have will continue through the years.

Freshmen

A



B C

A: A group of freshman compare love letters at lunch-time.

B: Typical, confused freshmen wait during lunch for their next class.

C: Fooling around at lunch, Jason Matlock tries out a friends crutches.

D: During lunch a freshmen is duck taped to a tree and framed by some upper classmen.

D

The class of 1990 entered O.G. this year with the insecurities and the expected anxieties of every freshmen class before them. However, this class of over 630 proved to be an exceptional one. Very few freshmen saw the bottom of a trashcan, and with the exception of one taped to a tree, they seemed to know their place in the perpetual high school caste system. The class of 1990 will be a great one in the following years.

E

G

F

E: Having a heart to heart talk, Pam Ortiz and Tonio Whiteley pass the time at lunch.

F: Taking a break from the hectic life at O.G., Billy Thorton poses for G.Q. magazine.

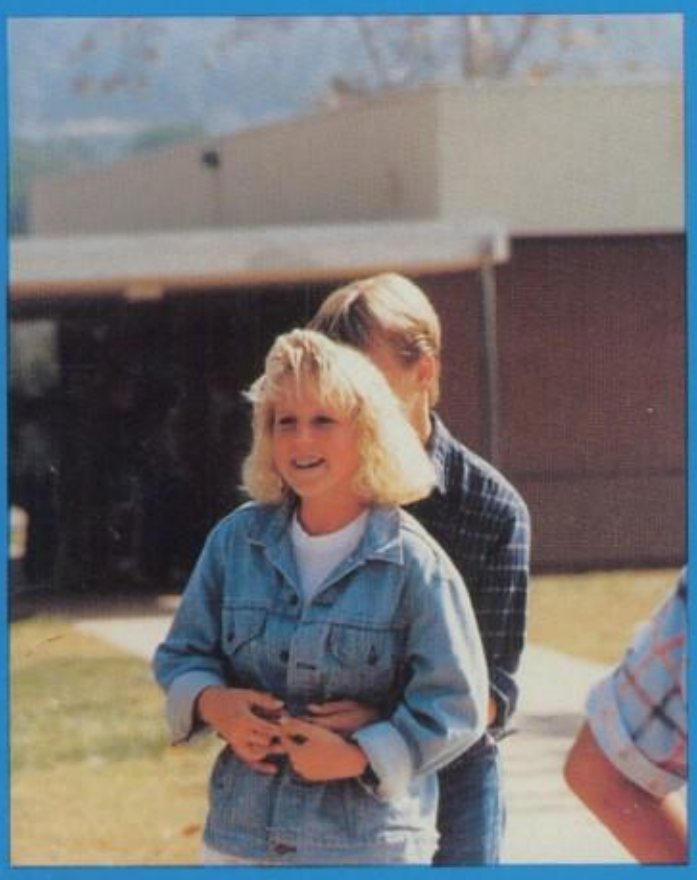
G: Sitting on a planter at lunch, Michelle and Tracy enjoy their first year at O.G.

H: Showing great enthusiasm for the photographer, Rochelle Smith, Carrie Carlson, and Anita Dulay pose for a quick picture.

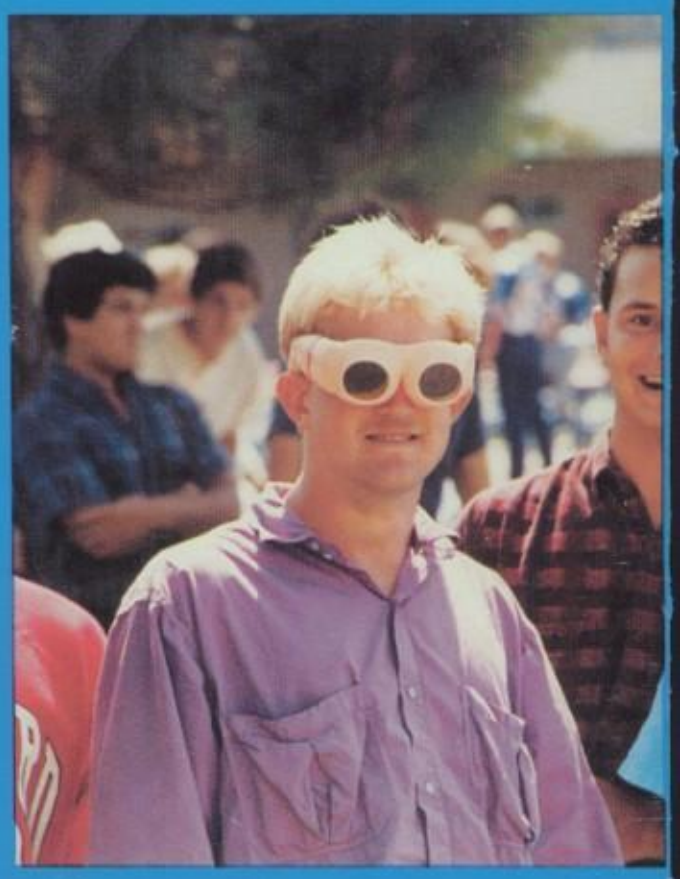
H

Sophomores

A B



C: With X-ray glasses Chad Cowsert wishes they really worked.



D

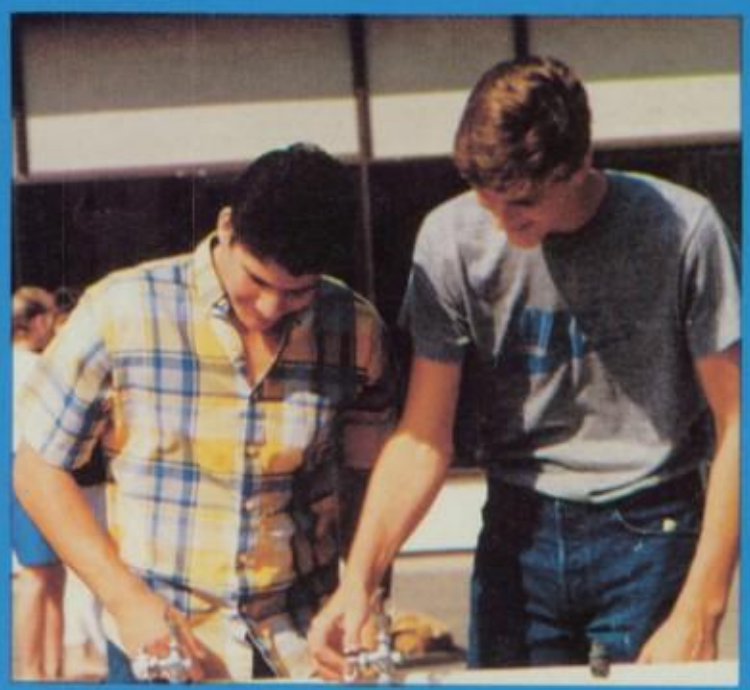
A: Everybody has a different outlook on life as Tiffany Anderson and Bonnie Dune show us their original look.

B: Sophomore princess Heidi Bumgardner likes spending time with her boyfriend Lonnie Flores.

C: We know Jake Nyberg is camera shy as he hides behind his girlfriend Laura Chagala.

The last class of the 80's returned from their freshman year with more pride and spirit than ever before. They showed it in their support of JV sports, their participation in the homecoming festivities, and just in their overall attitude in general. The class of 1989 has proven that they have what it takes to make it to the top in the years to come.

E



F

G

H

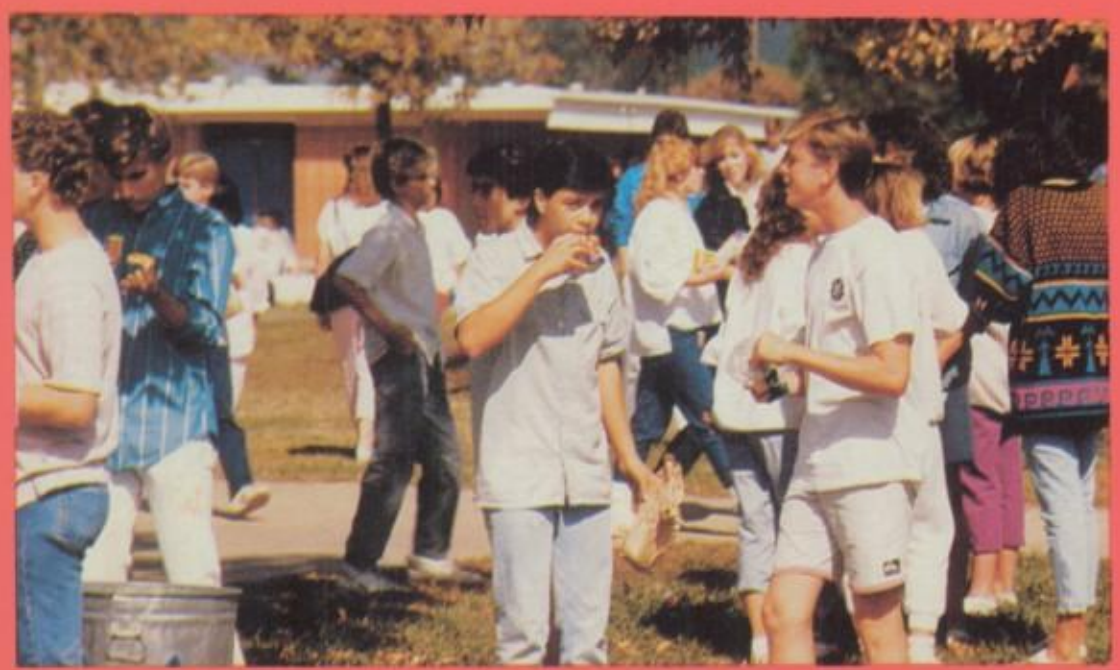
E: Trying to figure out how Victor Ortiz can survive eating the school lunches Jeff Leander looks amazed.

F: Looking for left overs in the drinking fountain Cree Morris and Dennis Esposito test the water before taking a drink.

G: Laughing at his mistake, Dan Stehly removes the bountinier pin from Jason Patterson's chest.

H: Some sophomores are just waking up from their freshmen year as verified by Chrissy Frantz, Shelly Aimes, and Jenny Fisher who forget to change into their school clothes.

Juniors



A

C

B

D

A: Macking out at lunch Bill Wallsdike and Denny Lira show us that bag lunches are in.

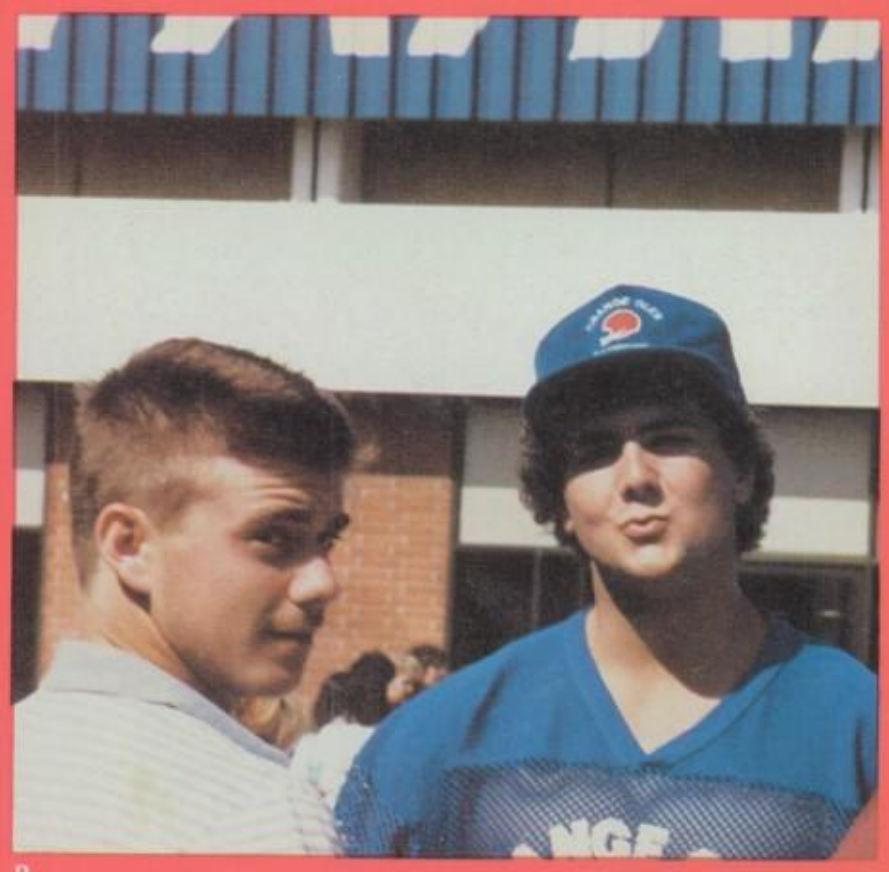
B: Having to grin and bare lunch, Donald Upson and Kevin Sayers can't wait tell it is over.

C: "You stud you" says Troy Juve to Randall Gustine as Randall sports the classic look.

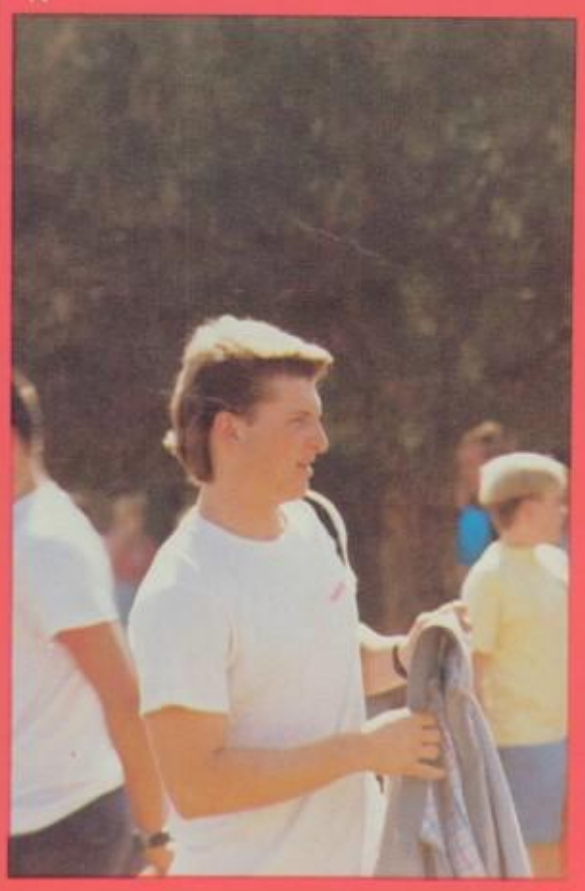
D: Showing off her Patriot Pride Holly Townsend looks up to the crowd.

The class of 88 is one with a great deal of spirit. Through their three years at O.G. they have shown their pride in many ways. With their participation in pep rallies and class competitions and their support of sports teams they have brought more spirit to our school. Their major fundraiser was the Ice-Breaker dance, the funds from which will be used for the Prom. It will be held at the U.S. Grant Hotel in Downtown San Diego. The Juniors have proved that they are more than worthy of carrying on the great senior tradition.

A



B



C

D

A: Kicking back during lunch Tom Esposito and Cindy Boyett talk with some of their friends.

B: All eyes are on Ed Barber as he blows a kiss at the girl behind the camera.

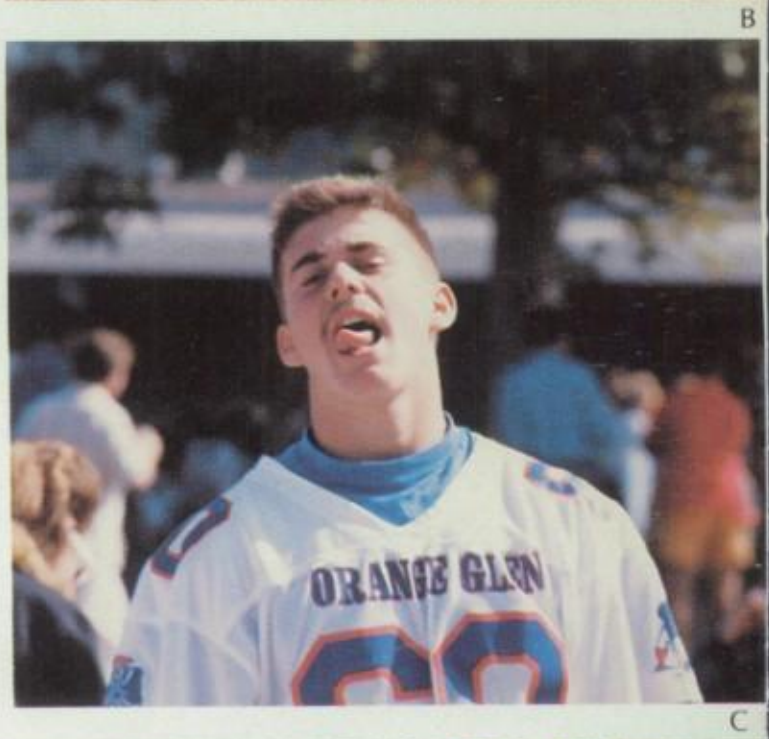
C: a little bit confused, Eric Weiler tries to find his next class.

D: Close friends are good to have, as Shelly Bush, Stacy Linner, Mary Tilley, Brandy Bell and Gina Parada get together.

Better Than The Best

A

B



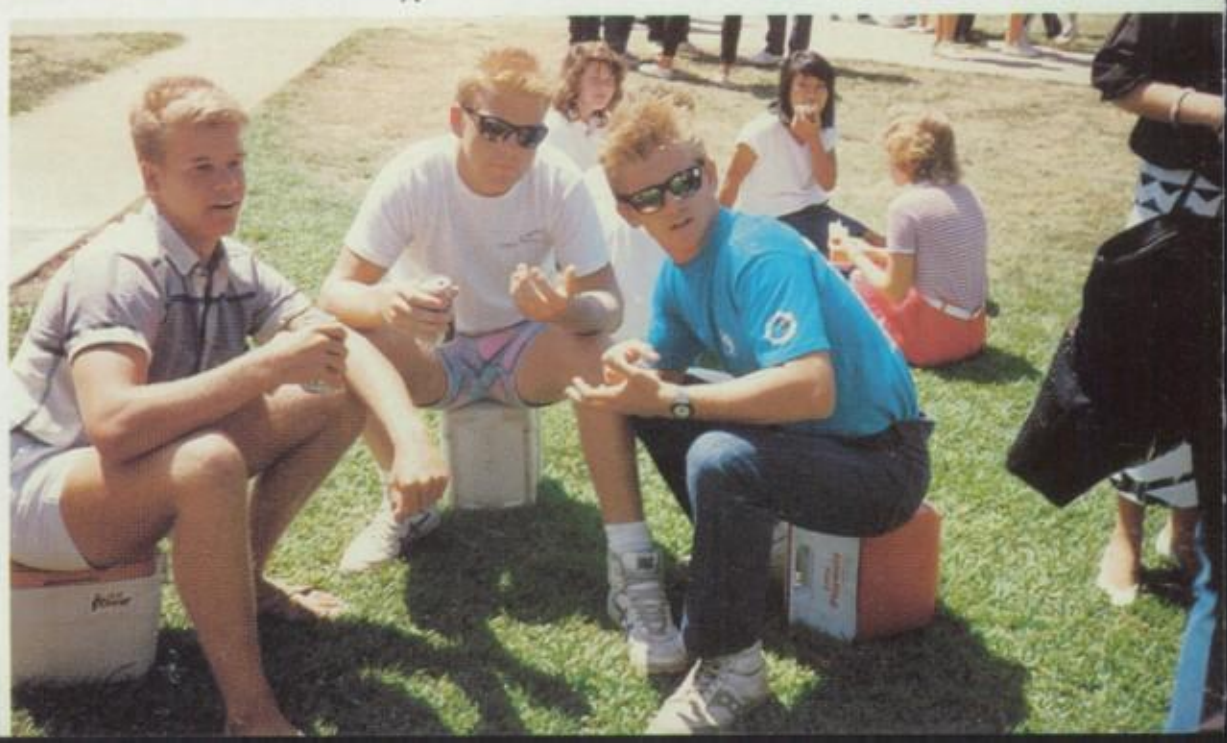
C

A: Trying to help Duffy Daughrty with his diet, Kevin Pressley takes away another Pepsi.

B: Seniors often contemplate their futurea- as Heidi Ainsworth and Mike O'Brien discuss their plans.

C: Attempting to catch a fly, Rick Sparks stretches his tongue to the tilt.

D: In order to fit in the group everyone should know next time to bring their playmate cooler to hang out with Charlie Rhinehart, Jeff and Corey Cossey.



D

All throughout high school students look forward to being a senior. Being a senior means accomplishment and responsibility. Working hard to obtain goals set in the early years if high school are often rewarded by less academic intensity in the senior year. Seniors have alot on their minds though, like completing Civics, P.E., and English requirements. Most seniors look forward to going to college, whether it's a 4 year university or a junior college. Many college preparations are necessary i.e. sorting out the college that best interests you, sending the applications before the deadlines and taking the S.A.T.

The senior year has plenty of work, but it is also a lot of fun. By the senior year, many students are able to drive and have their own cars. There is more freedom, but also more responsibility. Seniors get special privilages like the senior lawn and senior yearbook pictures in color. One very important privilige is the notorious senior prom. This years prom is sponcered by the junior class and will be held at the U.S. Grant hotel in down town San Diego. This is a very special occasion for all seniors.

Seniors take pride in their school and contribute a great deal to the schools' morale. This years' seniors have helped bring back the pride and excitement that goes along with a good school year.

A

B

C

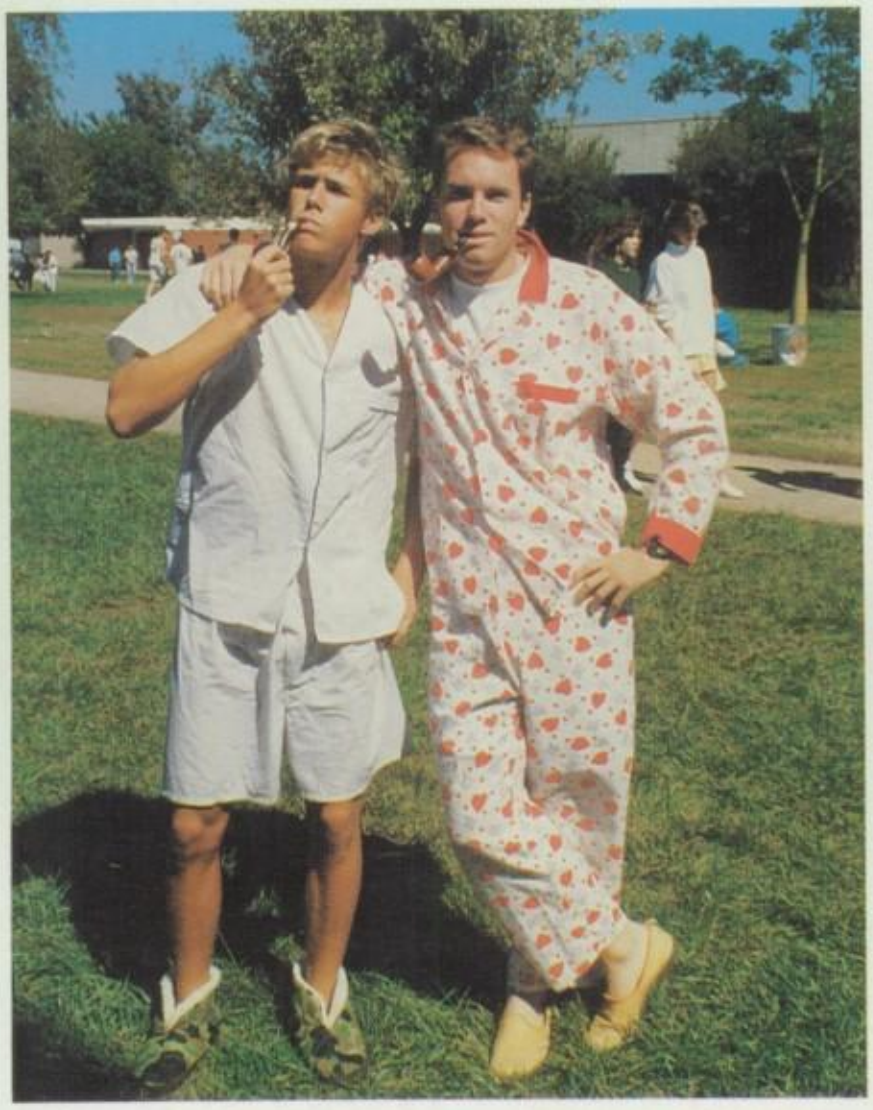
A: O.G. seniors Tammy Smith, Cindy Fleeup, and Abby Hildago show us their smiles.

B: Some eager seniors walk to the football field to take the senior picture.

C: The choice is obvious for Christie Westerlund, but Eric Blehm is a little undecided.

Keep The Spirit Burning

Spirit week this year fell on the same week as homecoming. Monday, Tourist Day shocked and amazed many as students walked about the halls in bright Hawaiian print shirts and plaid shorts. Tuesday, Pajama Day impressed a few students who found their friends



A

B

C

D

A: On pajama day, Mike Hinton and Dave Anderson dress-up in their very best.

B: Nerd day had the biggest turnout for costumes. A group of seniors pose to show off their attire.

C: Deciding not to change out of their pajamas, some seniors talk about what they are going to wear on Halloween.

D: Mafia day was a big hit among the students. One student even dressed-up as a Miami Mafia, posed by David Anderson, and Susan Martin, Steve Clinger, Rachele Smith, and Scott Sullivan are his Mafia friends.

dressed in bedtime attire. It was often amusing to see what people actually wear to bed. On Wednesday, Nerd Day Orange Glen was swamped with students and teachers wearing awkward outfits with tasteless hairstyles. An interpretation of a classic nerd. Thursday, Mafia Day was frightful. Students resembling gangsters, and gangsterettes, swarmed the school causing suspicion and chaos. Friday, Red, White, and Blue Day brought most of the spirit out of O.G. Patriots, the wildness didn't stop. Students went from just wearing Red, White, and Blue, to going as far as coloring their hair and painting their faces. Our distinguished school has proud, spirited Patriots. "Keep the spirit burning."

A

B

C

D

A: Talk about Spirit! Marisa Lefton gets into Red, White, & Blue Day.

B: Some way out tourists, Dave Anderson, Mike Hinton, Joanne Napier, Charlie Rhinehart, Paul Temprenodola & Tammy Smith enjoy their vacation at O.G.H.S.

C: "Voila!" says chef Windy Rider.

D: This studious teddy bear, Tammie Raymond, won't go anywhere without her books.

1986

A: Freshman Prince Jason Matlock and Princess Stephennie Tieri

B: Sophomore Prince Gary Clinger and Princess Heidi Bumgardner

C: Junior Prince Brian Star and Princess Brandy Bell

D: Senior Prince Mike Standal and Princess Tammy Smith

E: Senior King Steve Clinger and Queen Stacie Smith

The 1986 Homecoming festivities started off with a bang! The Orange Glen Patriots topped the Mt. Carmel Sundevils 34-6. The blow-out brought our season record to five wins and only one loss. The halftime pagentry was exceptional with a beautiful display of fireworks followed by the parade of the homecoming court. The following night was the homecoming dance. "Enchantment Under The Sea" was the theme of the 1986 dance which brought in a record attendance of over 500 people. Much time and effort was put into the preparations by the ASB making homecoming 1986 one of the best Orange Glen has ever seen.

For three years everyone has been telling you how wonderful your senior year would be. Now that it has arrived, each individual has learn whether or not there is any truth in this statement, for the most part there was. When the class of '87' entered O.G. in the fall of 1983, graduation seemed like an eternity away. For the last three years we have shared experiences, fought with each other, laughed with each other and of course cried together. Now that we all have had a chance to play the role of a senior we know that it is the best thing about high school. We asked a few seniors what their definition of a ``senior'' was, this is what they said.

1. A person who hopes they pass civics! - Jane Bellamy
2. Old person over the age of 60. - Christine I.
3. An ignorant freshman four years later. - René Zepeda

Remember walking down the sidewalk at school and tripping over your own feet in front of everyone? Or giving the right answer to the wrong question during class? Forget "T.V.'s Bloops and Blunders", this was real life! Everyone has had a taste of embarrassment during their four years at O.G. Major or not, it stood out in their minds. Here are a few people's unforgettable experiences:

1. When I got pantsed in front of all the girls in P.E. - Anonymous.
2. Not on your life! - Michelle Ainsworth.
3. When we left campus one day and got pulled over by a cop. He took us back to school and everybody was watching. - Jane and Corrine.

Since we were sophomores Senioritis has been a big problem for most of us, whether you were ditching class or just not doing your homework, you still had to make up excuses for not doing what you were supposed to be doing. Now that we are finally seniors, the problem of mastering an excuse, is no problem at all. No matter how elaborate or flawless it may be, they were still original! Here are some of our favorite excuses for anything:

1. My car was stolen and my homework was in it. - René Zepeda
2. You don't really love me. - Aaron Anderson
3. I forgot it! - Jenny Geritsen
4. I have a headache! - Anonymous

Brian, Brian, Brian, etc.

Well, I'm done, and your turn's coming. Take care of Melissa, but not too much (HA-HA!) Anyway, thanks for being a friend, and always remember, "No matter where you go, there you are."

Most seniors by now, have some idea of what they are going to do when they graduate. Some are going straight to college while others plan to go to Palomar or some other community college for two years, to get their general education requirements. Some seniors ideas of where they will be in ten years are as followed:

1. In Japan with 20 children and 8 husbands.- Christine I
2. In Beirut taking pictures for Time magazine.- Pat McKinley
3. In a beach house in Santa Barbara still soaking up the rays.- Lisa Murphy.

Every weekend students will most likely find a party to go to, whether it is at the views or at someones house. Most of the time we don't even know whos house we are in, but we still have a fun time partying! Partying can mean a lot of different things to a lot of different types of people but to most it just means going out with your friends and doing things we aren't supposed to be doing. Some seniors told us what the word ''party'' means to them.

1. Boredom, - Susan Martin
2. Going to who knows who's house and getting wasted with your friends.- Jane and Corrine

The Winning Continues

Orange Glen once again produces a win ning season. With much youth on th team the Patriots were able to post a 6 4 record and provide optimism for the '87 '88 team.

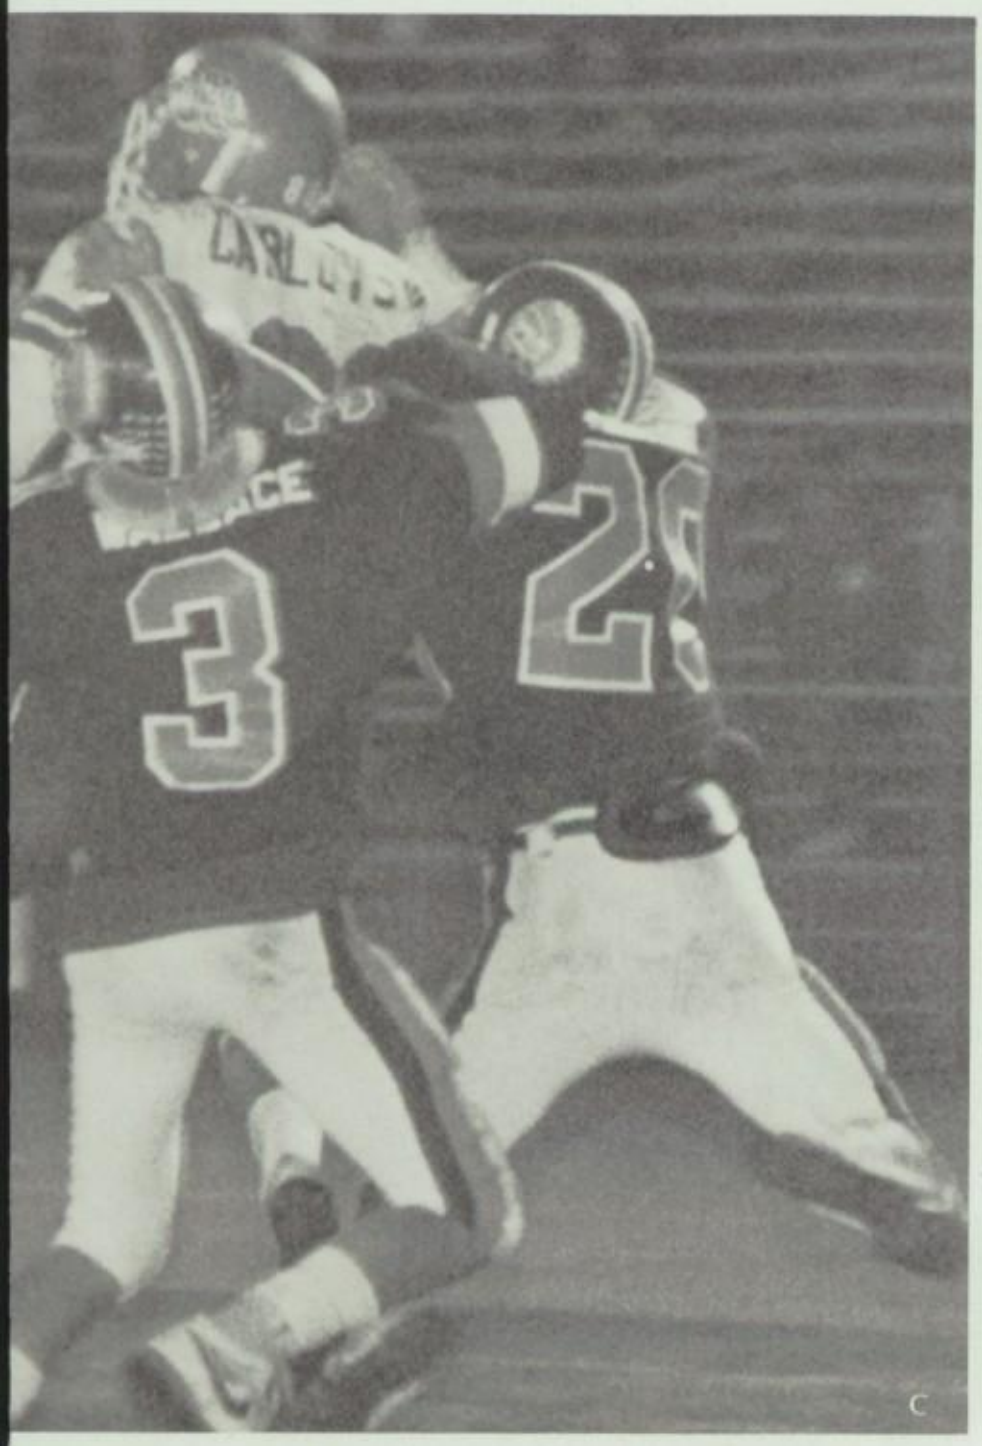
The Patriots began with a (26-15) thrash ing of the San Marcos Knights. Once again O.G. won the city championship with a na row (21-19) victory over Escondido and a bi (35-14) win over the Golden Eagles of Sa Pasqual.

As a result of a change in the schedule

A: Playing with a badly sprained right ankle, Ricky Martinez bulls forward to gain some tough yards against Fallbrook High.

B: Sophomores Rich Caster (#44) and Dan Stehly (#55) help Senior Wayne Ortega (#23) tackle a Titan from Poway High.

C: Scott Carlovsky being double teamed in the Fallbrook game attempts to come up with a completion.



O.G. opened league sporting a 3-0 record. O.G. then suffered a crushing blow by Torrey Pines in a (7-38) league loss. In another non-league contest the Patriots were able to beat play-off bound El Camino (24-7).

Now, only a little determination was needed as the Patriots crushed Mt. Carmel (35-6) for their first Palomar league win. For the next game O.G. traveled to Vista, the defending C.I.F. and State Champions. Vista, taking advantage of a couple of O.G. mistakes, the Panthers dominated the Patriots (40-14). O.G. next faced a 7-1 San Dieguito team. With little time remaining in the game, O.G. failed to score and lost (13-21). Playing Fallbrook would now determine the play-off wild card birth. Despite, a fine kickoff return by Matt Fiorello, O.G. was unable to score and eventually lost (7-19).

The Seniors playing with little emotion, led the Patriots to a big (21-7) win over Poway and posted a 6-4 overall record, leaving next years team a little enthusiasm.

This years team still produced many fine

Daugherty had a fine corp of receivers in Matt Fiorello and Scott Carlovsky. Carlovsky earned 1st team all-league honors. Daugherty and Fiorello both earned 2nd team honors as well. Balancing the offense was 3-year starter "Slick-Rick" Martinez as running back, who was honorable mention all-league.

J.V. Football Gets The Job Done

This year's team was much like the Varsity team; we had some good games and some bad games. Like the Varsity we had the potential to beat every team we played.'' said James Harris when asked what he thought of the J.V. football team, who had an overall record of 6-4. Dan Stehly was proud of the team who last year as Freshmen had an overall record of 2-8 and improved this year to have a winning season.

The game they were most determined to win was against Poway according to Dennis

It took a strong offensive line to break through our outstanding defense. "We had a rad defensive line that was unstopable, With people like Jason Patterson, Jason Beagle, and William Hayes." said Frank Choumas. The defensive players stated that, "Going through us was like going through Hell."

But the offense does deserve some credit. When Shane Copeland was asked what scoring touchdowns was like he said "It was like a stroll through the park on a Sunday afternoon." According to Greg Martinson the O-line has improved a lot with the help of coach Gilster. and Jake Nyberg made more passes at the players then he received on the field.

V. Cross Country All Gain No Pain

Togetherness is the key to strength in cross country. Besides from training hard and being physically prepared to run a race, a clear mental attitude needs to be acquired in order to have a successful run. The coaches had a chance to make the girls team get a shot at C.I.F. They were given the best team Orange Glen had seen in many years but O.G. may have to wait for

another time for a team with the same chance.

The season started out with an unexpected bang, the girls won a 1st place at Mt. SAC, and a first place at Mt. Carmel invitational. Top runners included Brooke Portillo; third in both races, Cathy Dusharme; 6th and a 9th, and Jessica Treat; 8th at Mt. SAC. Seniors Tina Wise and Cheryl Ricketts both had great finishes at Mt. SAC. Brooke was Orange Glen's top runner most of the season but when the big race came, the C.I.F. finals, Cathy Dusharme turned in a hard race to finish 5th.

Bruce Farr received a 4th at C.I.F. to boost a good boys' team. Bruce also placed 4th in Palomar league finals. Cory Young and John Salisbury also ran hard the season to stay close to Bruce. Freshman Lorenzo Vrizar and Junior Paul Gentile were also pushing for top running spots on the team. The boys had a good season but will be building a new team for next year.

Both teams showed exceptional effort and a team spirit was evident. Look for a strong team because Orange Glen knows how to win with pride.

J.V. Cross Country Hangs Tough

Water Polo Goes To C.I.F.

The boys varsity water polo team had much to be proud of in 1986: an overall record of fourteen wins and eight losses, beating a previously undefeated Mt. emotional team. The team saw a number of very exciting events come this year, the promising play of Mike Dunn, who was the most valuable player and the rise of many good young players promising to create an exciting 1987 season.

Many players also received honors from the Palomar League. Brian Williams and Terry Wrightson were dignified with honorable mention, and Mike Hinton was given a 2nd team all-Palomar League title. The most *kudos,* should be given to Mike Dunn, who received a first-team all-Palomar league award.

The team went to the CIF playoffs, but lost in the first round to the Fallbrook team, to end what was a very good season for our Patriot water polo players.

Their spirit shined throughout the year, showing their Patriot Pride everywhere. Most of the team consisted of brand new cheerleaders, virgin to the art of cheering. Only three senior members had cheered before on either a varsity or J. varsity squad. Three of the members were juniors that had cheered since their freshman year and they will probably go on to be four year letterman.

Team captain was Tracey Leichtfuss and Co-captain was Amy Hunter. The two of them, along with the rest of the squad did an out standing job to promote the OG athletics and to cheer our teams to victories.

Football And Cheerleading

The freshmen cheerleaders helped liven up the freshmen by showing Patriot spirit. The freshmen came alive at pep rallies and games. The cheerleaders also participated in fund raisers to pay for their uniforms and summer camp. They also practiced over summer vacation and after school.

The frosh football team worked together with first year coach Jeff Mitchell and put their efforts together to make a good season. Although the team ended the season 6-5 they gained experience to perform better on next year's J.V. team.

Varsity Basketball

At the beginning of the season the Patriot basketball team set one main goal for themselves: make the C.I.F. playoffs. There were to be no maybes, no if's and no holds barred, this was the year. Coach Dana Ernest and asst. coach Lt. Colonel Hamilton were confi-

dent this goal could be achieved. The basic starting five consisted of, Steve Clinger, Dan Early, Scott Carlovsky, Matt Fiorello and John Hilton. With O.G.'s "do it all man" Kory Kelly gone, a victim of graduation, Coach Ernest looked to Scott and Matt for an answer to great importance. He needed a guard that could shoot, pass, and lead the team to the playoffs. Scott undertook the majority of the role leading the team in assists and by disaplining his great defense. Matt added his speed shooting skills, and ball-handling to make the guard package complete. On the front line O.G. had unturning center powerhouse Steve Clinger, who led the team in scoring and rebounding this season. John Hilton, who saw little playing time last year, came back greatly improved to become a starter as a forward/center. According to Coach Hamilton, it was due

greatly to John's coaching ability. The other forward "Dunkin" Dan Early, a junior and returning Varsity player, added his scoring, rebounding and offensive skills. The Patriot team warmed-up in the off-season with a tournament in Bakersfield. Last year the Patriots finished 0-4 but this year they were much improved having a 2-2 record. Coming into this season of play, the team had high hopes. With small breakdowns and last record losses, the Patriots wound up the season with an 8-18 overall record, 4-8 is league play. Though this year's season came as a big surprise and a dissapointment, the team had it's highlights. The greatest one coming against the num-

ber one team in the league, Torry Pines. With a last second shot by Dan Early, the team defeated the Falcons at O.G. This years Patriot team fell short of achieving it's goal and the coaches look to next season with hope. With Dan Early and Brian Leander as the only returning players, the team has spots to fill. With a lot of talent coming up from the J.V. team, the future looks bright for O.G. basketball.

The varsity girls basketball team entered the 1986-1987 season with "high hopes" said coach Ricketts. The team had seven varsity players return from last years squad.

The patriots defeated Santana in their own tournament taking 2nd place, and took 2nd place in the O.G. tournament.

Leading the team were co-captains Stacie Smith and Laura Hughes. Laura Hughes, a junior, is a superb basketball player and was a definite asset to the team. Laura holds every offensive and defensive record at O.G. and was the #1 rebounder in Palamar League. The #2 scorer, and for 2 consecutive years, received first team all Palamar League. The Honorable mention award was given to 2 seniors this year, Tuie Bunce, and Christie Westerlund.

The team ended their 1986-1987 season with 2 wins and 10 losses in league. And 6 wins and 16 losses overall throughout the entire season.

The saying goes, "practice makes perfect," and the hard practice J.V. put into this year's season proves the old saying. The team took first in the Poway Tournament and also became league champions with only one league loss.

This year's most valuable player was Sean Maclin, and most improved was received by Cree Morris. These two players along with Lenny McGill teamed up to dominate the offense and defense with rebounds. Bill McNeil received the coaches award. Bill and the rest of the team all helped out to become the best J.V. team in the league.

J.V. Girls Basketball

The junior varsity girls basketball team gave a total effort in their 1987 season. The team was the best defensive team in the league and ended up with 6 wins and 6 losses in league. Fourteen wins, 9 losses overall. Shannon French and Missy Jacquerez were named co-most valuable players of the year, plus Roxanne Bush, Stacie Smith, Shannon Tener and the other players as well showed an excellent *team* effort.

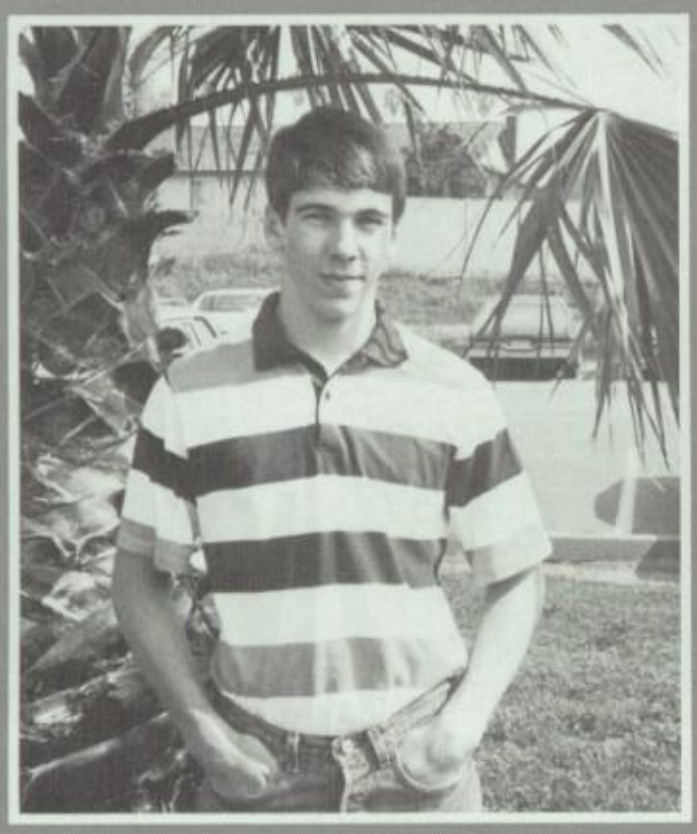
J.V. Wrestling

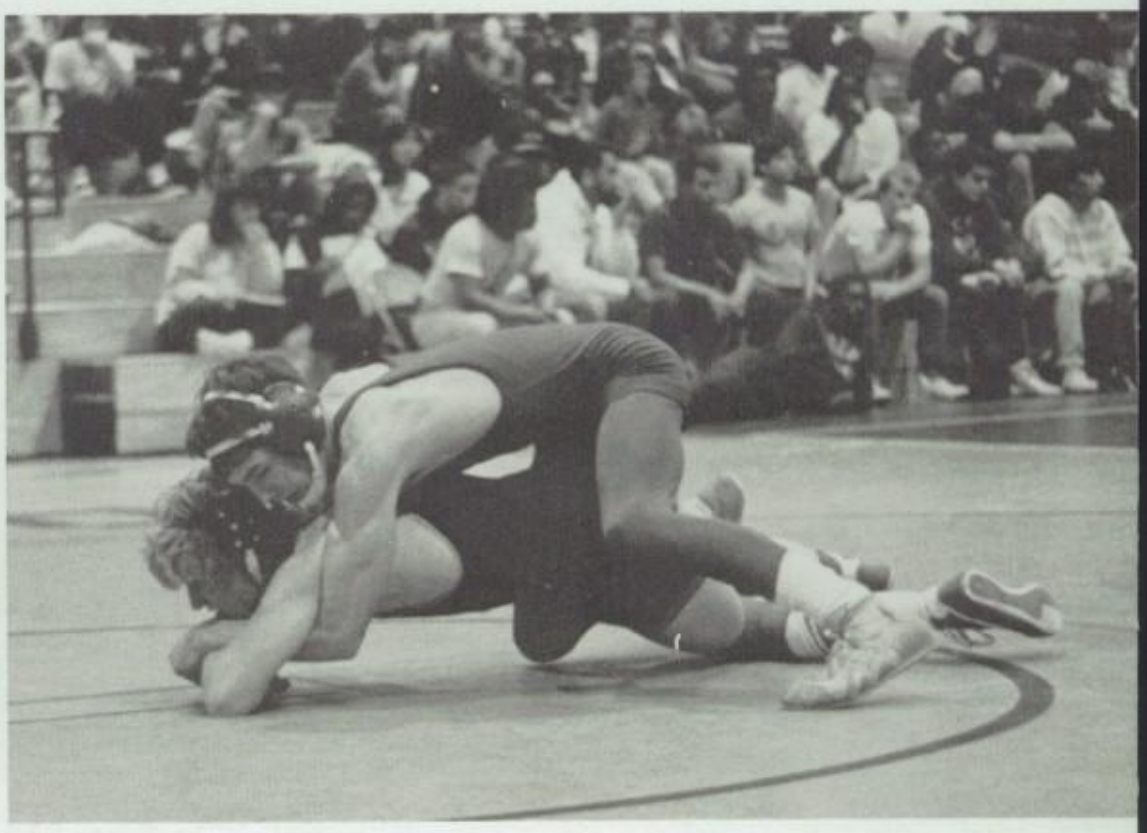
The J.V. Wrestling gave it their best shot with only 6 team members. They faced many tough battles in the palomer league including the ever powerful poway Titins. They were essentially in a re-building stage, they had many promising prospects gaining valuable experiences for next year.

Varsity Wrestling

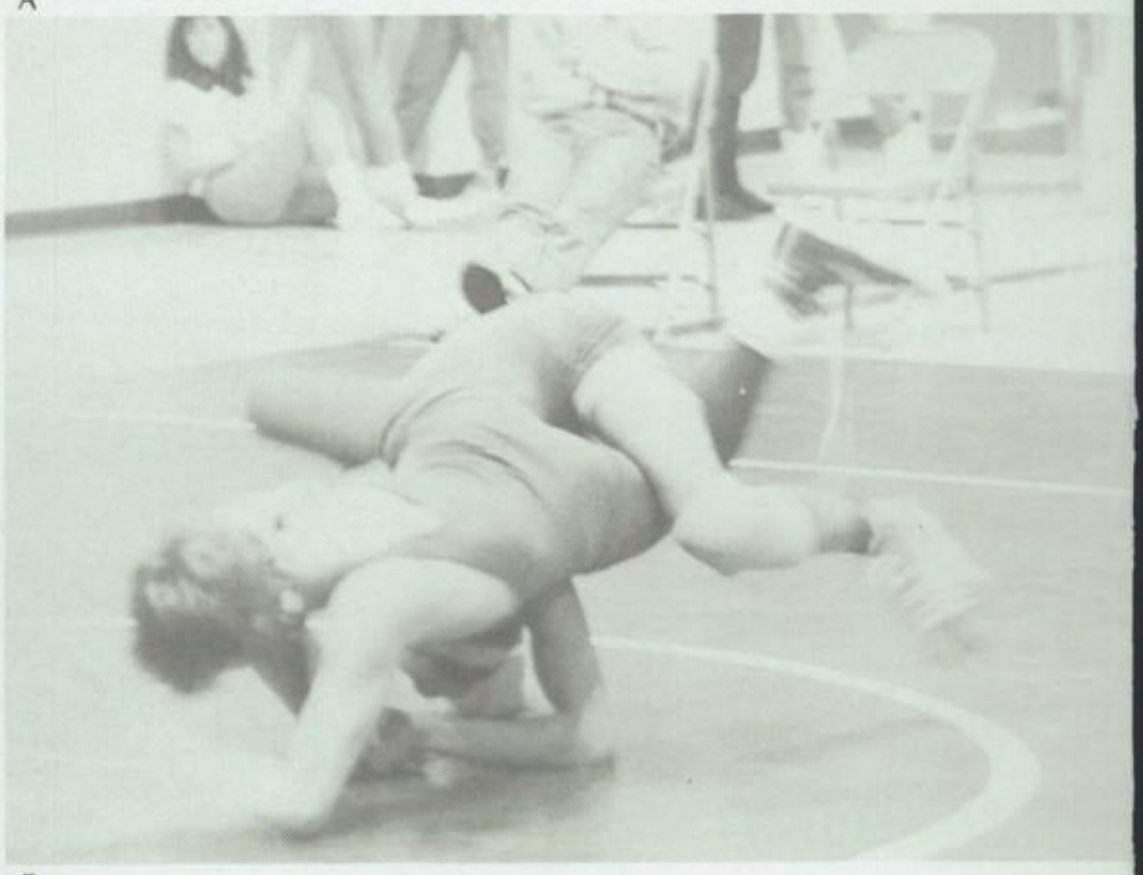


Boyd Johnson

It is every wrestler's dream to make it to State Finals. Although this year's Varsity Wrestling team was young, they were honored with two members going to State. Both Boyd Johnson and Nick Jauregi managed to fulfill this dream. Nick and Boyd have been wrestling since they were Freshmen and well deserve some credit for this accomplishment.



A



B

Wrestling is a test of endurance and precision in which a quick reaction plays an important role. People often don't know how tough wrestling is and what kind of shape you have to be in, in order to wrestle well. Wrestling is one of the toughest sports in high school because "it combines strength, agility, speed and quickness," says Boyd Johnson. It also requires endurance, mental toughness, discipline, desire and determination, says coach Dennis Zabinsky. When you wrestle you have to be cardiovascularly fit. You have to be able to last through three two minute period of your best wrestling, pushing yourself the whole way.

The team consisted of, three sophomores, four juniors, and five seniors. When Jean Cloutier was asked how he thought this years Wrestling team did he said "I feel that this years team, although fairly young, showed a great deal of heart and determination. They far surpassed my expectations." Boyd Johnson thinks because the team was so young that they will be a lot stronger with experience and should do good in league next year.

Orange Glen participated in four tournaments and placed in all of them. They took third at the Carlsbad tournament, and took fourth at Rim-of-the-World, Escondido tournament and Jim Londo's, which O.G. hosts. The teams League Record was 4 wins and 2 losses, and their Overall Record was fifth place C.I.F. Champions. This years team captains were Nick Jaregui who was first team all Palomar League and First Team all C.I.F. in the 2A Division, and Boyd Johnson who is a three time All C.I.F. Place Winner in the 2A Division. Both Nick and Boyd competed in State Competition. Kevin Krauss was second team all Palomar League and second team All C.I.F. in the 2A Division, and Jean Cloutier was second team All Palomar League and first team All C.I.F. in the 2A Division. Overall the team did an outstanding job and should be just as good next year and the years to come.

Starting out this the season, the boy's varsity soccer team had hoped to come out of the season with a respectable season. Though things did not go as well as planned the team viewed this year as one of experience.

One of the key returning players this year was Jim Flowers. The team was fairly young with out the help of some of the players who failed to return to help the team out. On that we hope and believe that Orange Glen's Boys Varsity Soccer will grow to be a better team next year.

Girls Varsity Soccer

With eight returning starters the girls soccer team looked as though they had hope. The Patriots had very close matches, always loosing by one or two points, and succeeded at winning two League games. Diana Wade came in strong having to fill the shoes of All League Second Team Janice Taft. Janice however teamed up with coach Mike Doherty to coach this years team and did a good job at that. The team although loosing a lot of seniors should gain some strength from the J.V. and should be strong next year.

Weight Room

The Orange Glen Athletic Department added a brand-new weight room to it's campus. This weight room is ranked the best in San Diego County, and better than many health club facilities, and gyms.

The spacious weight room is fully furnished with: air conditioning, mirrored walls, a stero system, rubber matted floor, chalkboards, muscle and exercise charts, and most importantly, all new sophisticated weight training (bodybuilding) equipment. A combined exercise unit was installed which has 10 stations, working all areas of the body. Besides the combined unit, the room also is furnished with additional machines for leg curls, leg extentions, leg press and neck press. Along with the ma-y machines, quality benches, weights, barbells, and dumbells were bought.

There were quite a few different weight training classes offered to *all* students. The weight room was used practically all day by P.E. students, also it was open after school (2:30-4:00) to *anyone*, for a fee of $25, a year. Football players use the room most, but everyone is invited to come use the weights, to "SHAPE-UP!"

After several tedious years of earning money through fund-raising, kind donations, and from many hard-working people, Orange Glen is very proud of the new facility, and current weight training program.

A surprise to the team this year were Sophomores, Shannon Vinje, and Glen Reyes. With the speed of Glen Reyes and the agility of Shannon Vinje, the two together made a spectacular defense in the middle part of the field.

Over all the Patriots were a C.I.F.-bound team, for the abundance of athletic ability they had. There was not one single player on the team who could not get a job done when Coach Warren or Pumar called them. When you saw the Patriots play you could see that they were strong defensively everywhere you looked. Starting behind the plate, Scott Carlovsky had an arm nobody dare test, the ones who did, failed by being thrown out.

Playing the million dollar infield were Sean Gousha at third, with Shannon Vinje at shortstop, Boyd Johnson at second, and Frank Escalante, or David Miller at first.

The Patriots knew this was their year for baseball. They put a lot of hard work and hours in practice so they would be ready for this season. Their goal was to win C.I.F., but the Patriots do have a problem next year. They are going to have to build from scratch all over again, for they are losing mostly all of the starters from this year. Among the returning players four of them were Seniors: Jeanette Vinson, Christy Westerlund, Diana Wade and Chris Rutledge. Along with the eight players were four new comers to the Varsity squad, and they added the extra strength needed to come up with a winning season. With the powerful pitching of Cami Allen and the Westerlund sisters the team hoped to take down the powerful Vista team to become League Champs. Coach Bill Rutledge also added to this year's effort. This was his third year as Varsity Softball coach, and he shows that he knows just what it takes to make this team one. The Patriots should continue to be tough competitors for years to come.

J.V. Softball

For the first time in O.G.'s history the Softball Program decided to begin a Freshmen team, leaving this years J.V. team with mostly Sophomores and Juniors. Those who were Freshmen, and made it on the J.V. squad, was only because Coach Lynne Kelly thought they would be an asset to the team. Again the O.G. J.V. Softball team emnded up with a winning season.

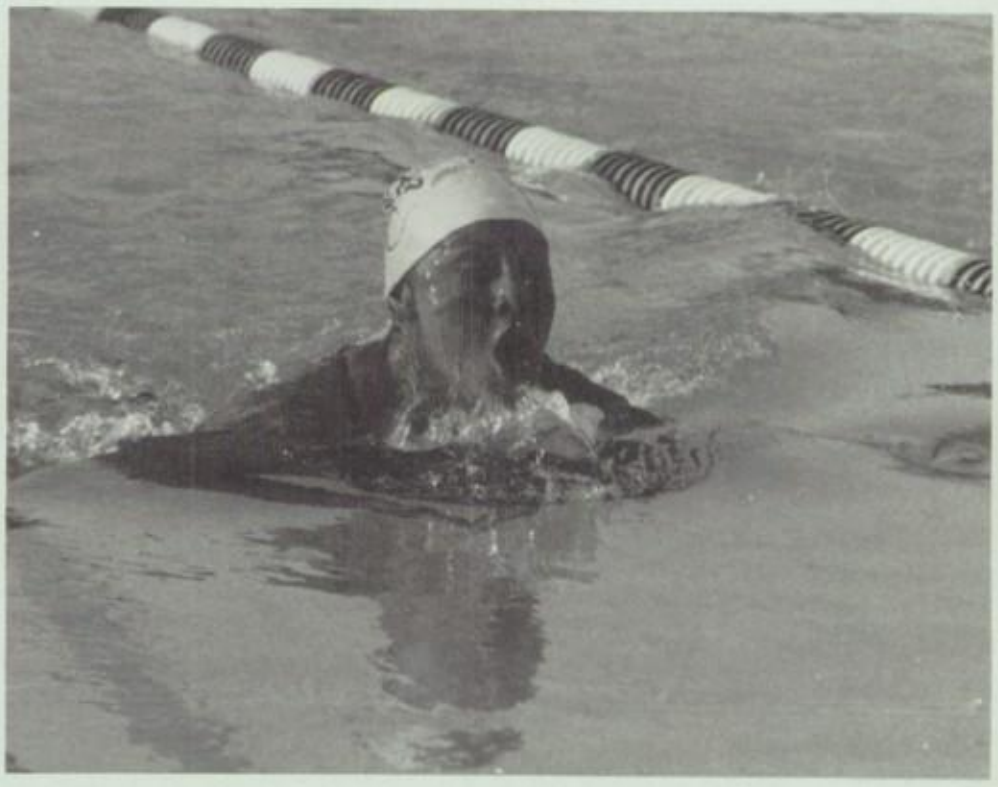
The varsity swim team seems to be improving each year, making up a quality swim team. Swimming is becoming a more popular sport at O.G. compared to past years.

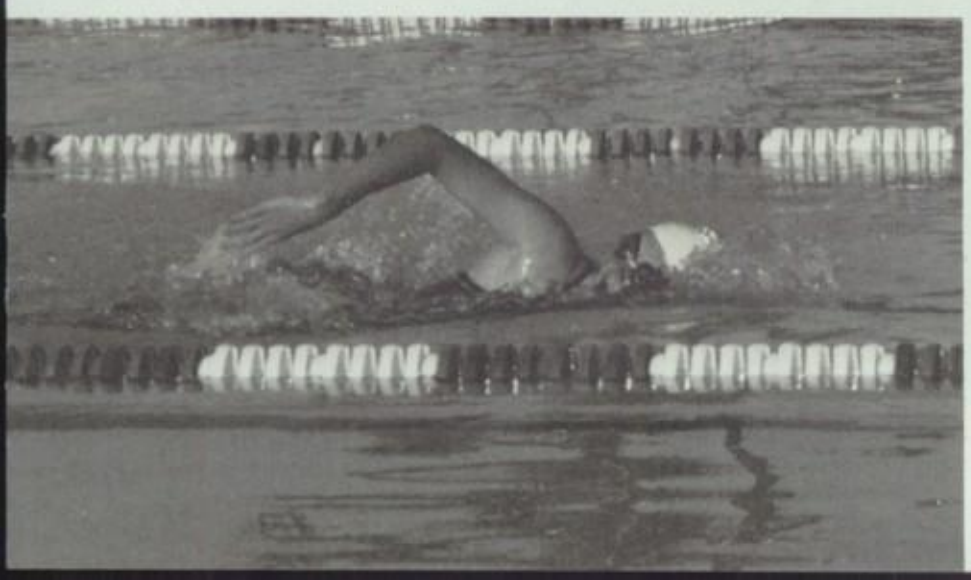
In order for the swimmers on the team to swim an average of 6,500 yards a day in practices, requires dedication, endurance, and strong self-discipline. The swimmers each have a purpose for swimming each day. "The purpose of swimming is to constantly work on improving your times, and set goals to reach for," says Jason Poole, a junior on the team.

Eight of the swimmers, swim year-round through the Escondido Swim Club, which gives the team advantages with experienced swimmers. The Patriots are coached by Steve Gillmore and Bill Ackerman, who also coach the Esc. Swim Club.

The top swimmers on the team for the boys are: seniors, Ty Carss, Brian Williams, and freshman Tonio Whitely. Leading girl swimmers are: seniors, Crystal Hollins, Dorrie Manriquez, and sophomore, Laura Smith. Each hold several school records, and Laura Smith went to Nationals in April.

The team also had good depth, with Jayne Gerty, and Grethen Lawson, swimming for the girls. For the boys are: Shane Sebastian, Terry Wrightson, and Damian Wallace, and Jason Poole, Their depth on the team helped the team win many meets.





At the starting block Crystal Hollins concentrates on making a good dive to give herself a head start.

In the lead, Dorrie Manriquez takes a quick breathe of air during the 100 meter breastroke.

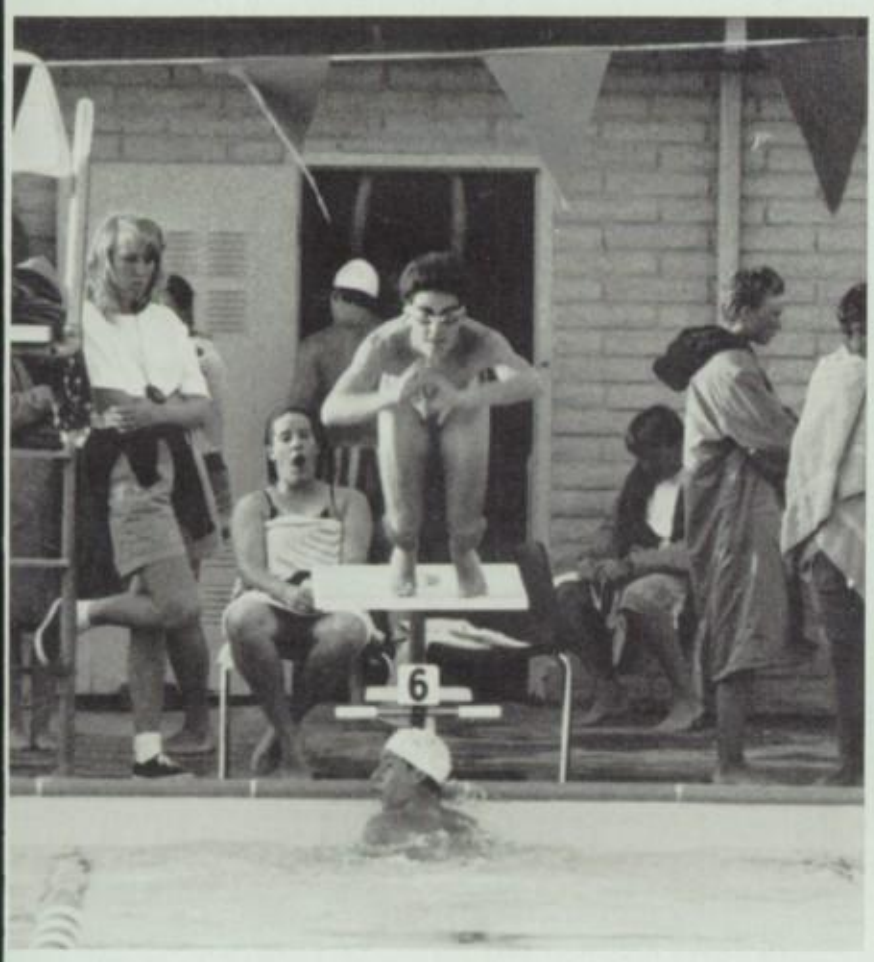
J.V. Swimming

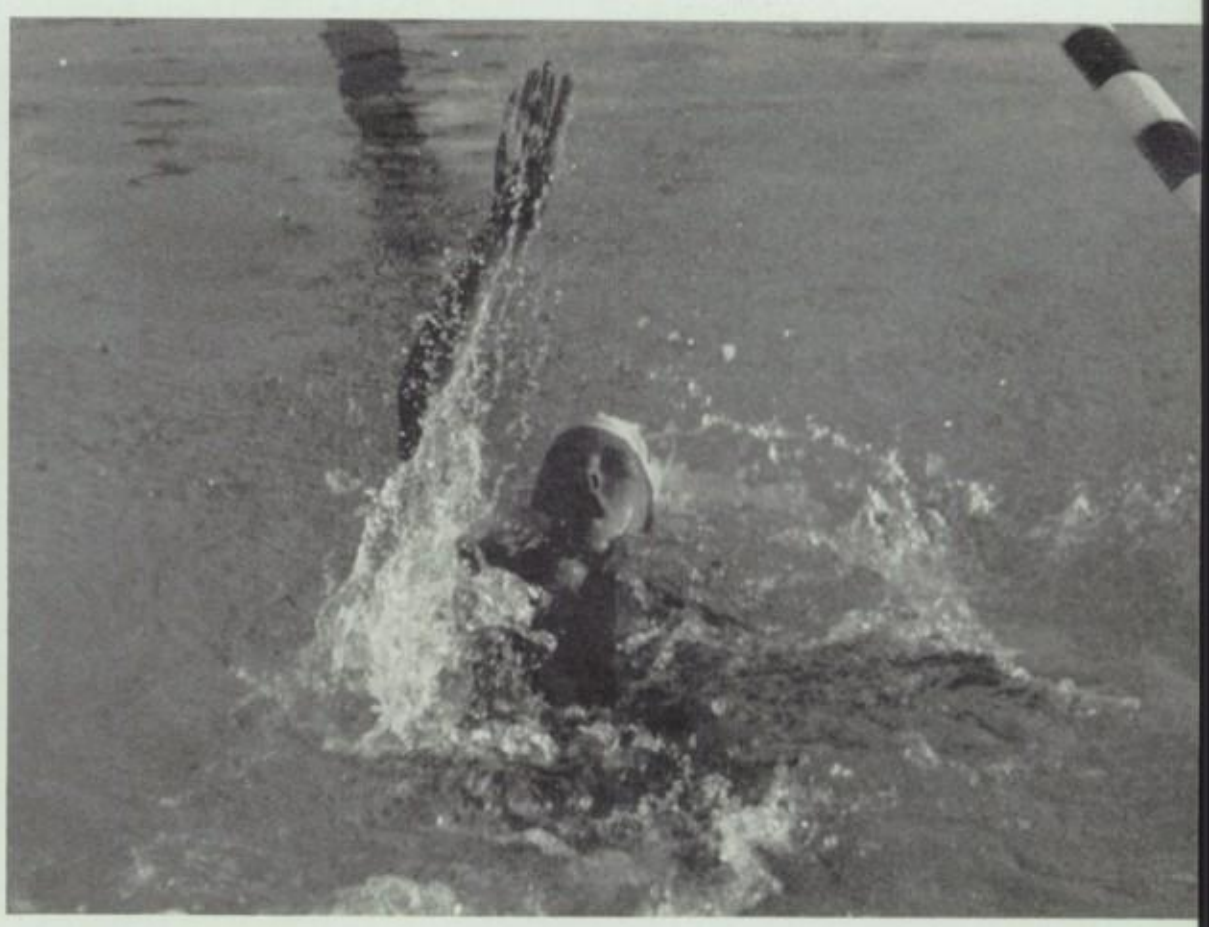
Concentrating steadily, Michelle Sheppard uses the technique she learned for breastroke to help her swim faster.

Swimming anchor man is Dan Dorsey in the 200 yard freestyle.

Rushing to the finish, Michelle Boderi swims the backstroke with confidence.

Taking a big, long breath of air, Kevin Mourey pushes himself as fast as possible.





Swimmers on the J.V. team had to wake up at the early hour of 6:00 every morning in order to get to the pool in time for their 6:30 to 8:00 practice every morning.

The J.V. team was considered to be a brand new team with many new faces, consisting of mainly freshman, and a couple sophomores and juniors. The team, coached by Suzie Shoebridge, was led by Dan Dorsey, Brad Foster, and Quinn Krekorian, for the boys team. For the girls, Shandrea Schiebel and Michelle Sheppard were two good J.V. swimmers with others close behind.

The J.V. team has a lot to learn, but hopefully by the next season or two they will know all there is to know about the sport, and improve their times to become excellent varsity swimmers some day.

Track and field is a sport in which you can compete as an individual, and contribute to the team at the same time. This is what made this year's varsity track team so strong. Although the team was very small, they had depth which made them tough competitors.

Returning Track veterans contributed much needed experience, enhancing the integrity of the Patriot Spirit. A unique characteristic of the team was it's individuality. Each member had the opportunity to express his or her ability in a number of events. Rigorous after-school practices led the team to become tough competitors in all of their meets.

Cathy Dusharme already a winner of countless accolades, shaved seconds off of school records, competing against other talented runners as well as himself. Tara Carlson also broke a county record in the high jump "5"4" along with Ray LeBrun in the 400/49.1 and Glen Reyes long jump 24 ft. 2 inches. 200 meters 21.7. The freshmen baseball team, Coached by Kenny Putnum, finished a successful season. Talent and fine effort from all the players made the team strong. The team showed fine playing on both offense and defense. The players showed great improvement and hope to be on future J.V. and varsity teams.

1987 was the first year Orange Glen had a girls freshmen softball team. The decision to make a frosh tam proved to be well worth it. The girls showed great enthusiasm for the team and the game. The team's coach was Ed Blunck. As always, Orange Glen has had good softball teams and the frosh team was not exempt from this. They proved they have talent and confidence to have a winning season. We hope to see many of these players on future teams.

The Torch staff returned in 1987 with their work cut out for them. The majority of last year's staff graduated, so although the class was large, the new staff was very inexperienced. Due to a lack of funds, the returning members were unable to attend yearbook camp, but thanks to chief editor Leonora Whiteley, everyone was able to pick up the slack left behind by last years staff. A theme was decided on early and the race for the deadlines was on. After a few weeks of uncertainty, the class became a team, and surprisingly enough, met their first deadline in two years.

The price of the yearbook went up five dollars from last year, due to the addition of more color pages. The "Torch" staff worked long and hard to make the 25th anniversary edition the best yearbook ever made.

The 1986-87 Associated Student Body radiated the most spirit Orange Glen had seen in years. Because of their efforts, OG became a better place for all of us.

Many improvements were made over the summer of '86 here on campus. Steve Clinger, ASB President, organized a group of students to take time out of *their* vacations to freshen up the school's appearance. The students repainted the gymnasium and painted the word "PRIDE" across it for all to see. They also repainted the raquetball courts and drinking fountains. This took time and energy that was appreciated by both students and faculty alike.

Throughout the school year, the ASB stayed busy organizing school dances, assemblies, and Homecoming, which had the biggest attendance it's had in years. During the holidays, a canned food drive benefitted the needy and helped to bring out the spirit of giving in Orange Glen students.

To say the least, this year's ASB proved to be what Orange Glen spirit is all about. With their help, Patriot Pride was rekindled in everyone.

Musket

The "*Musket*", our school's newspaper, is published 10 times a yea This year they made a special anniversary edition of the paper whic was sold for 25¢ and retraced in words and pictures the course Orang Glen has taken throughout the years. The staff was made up largely of fres men which, editor Shelli Peevler says, are surprisingly good writers. Shel manages the paper along with co-editors Liz Christman and Christy Ferguso all of which have been on the Musket since they were freshmen. According t advisor Bonnie Wheeler, A deadline has never been missed, and they wi continue to produce an entertaining yet educational paper.

Future Homemakers of America is a national organization whose main purpose is to inform students of career potentials in Home Economics and Homemaking ccupations. This is FHA's second year at Orange Glen High hool with advisor Mrs. Palzkill.

Future Homemakers of America does charity work. For stance, over Christmas time, FHA sang Christmas carols and made clothing for the children at Palomar Hospital.

FHA member, Jennifer Holden, is in state finals. The organization is planning on attending the state conference at the Hilton Hotel in Los Angeles during April, where they will elect their state official.

With Kim Miller as Secretary and Treasurer and Julie Stephens as Historian, FHA has done an outstanding job this year.

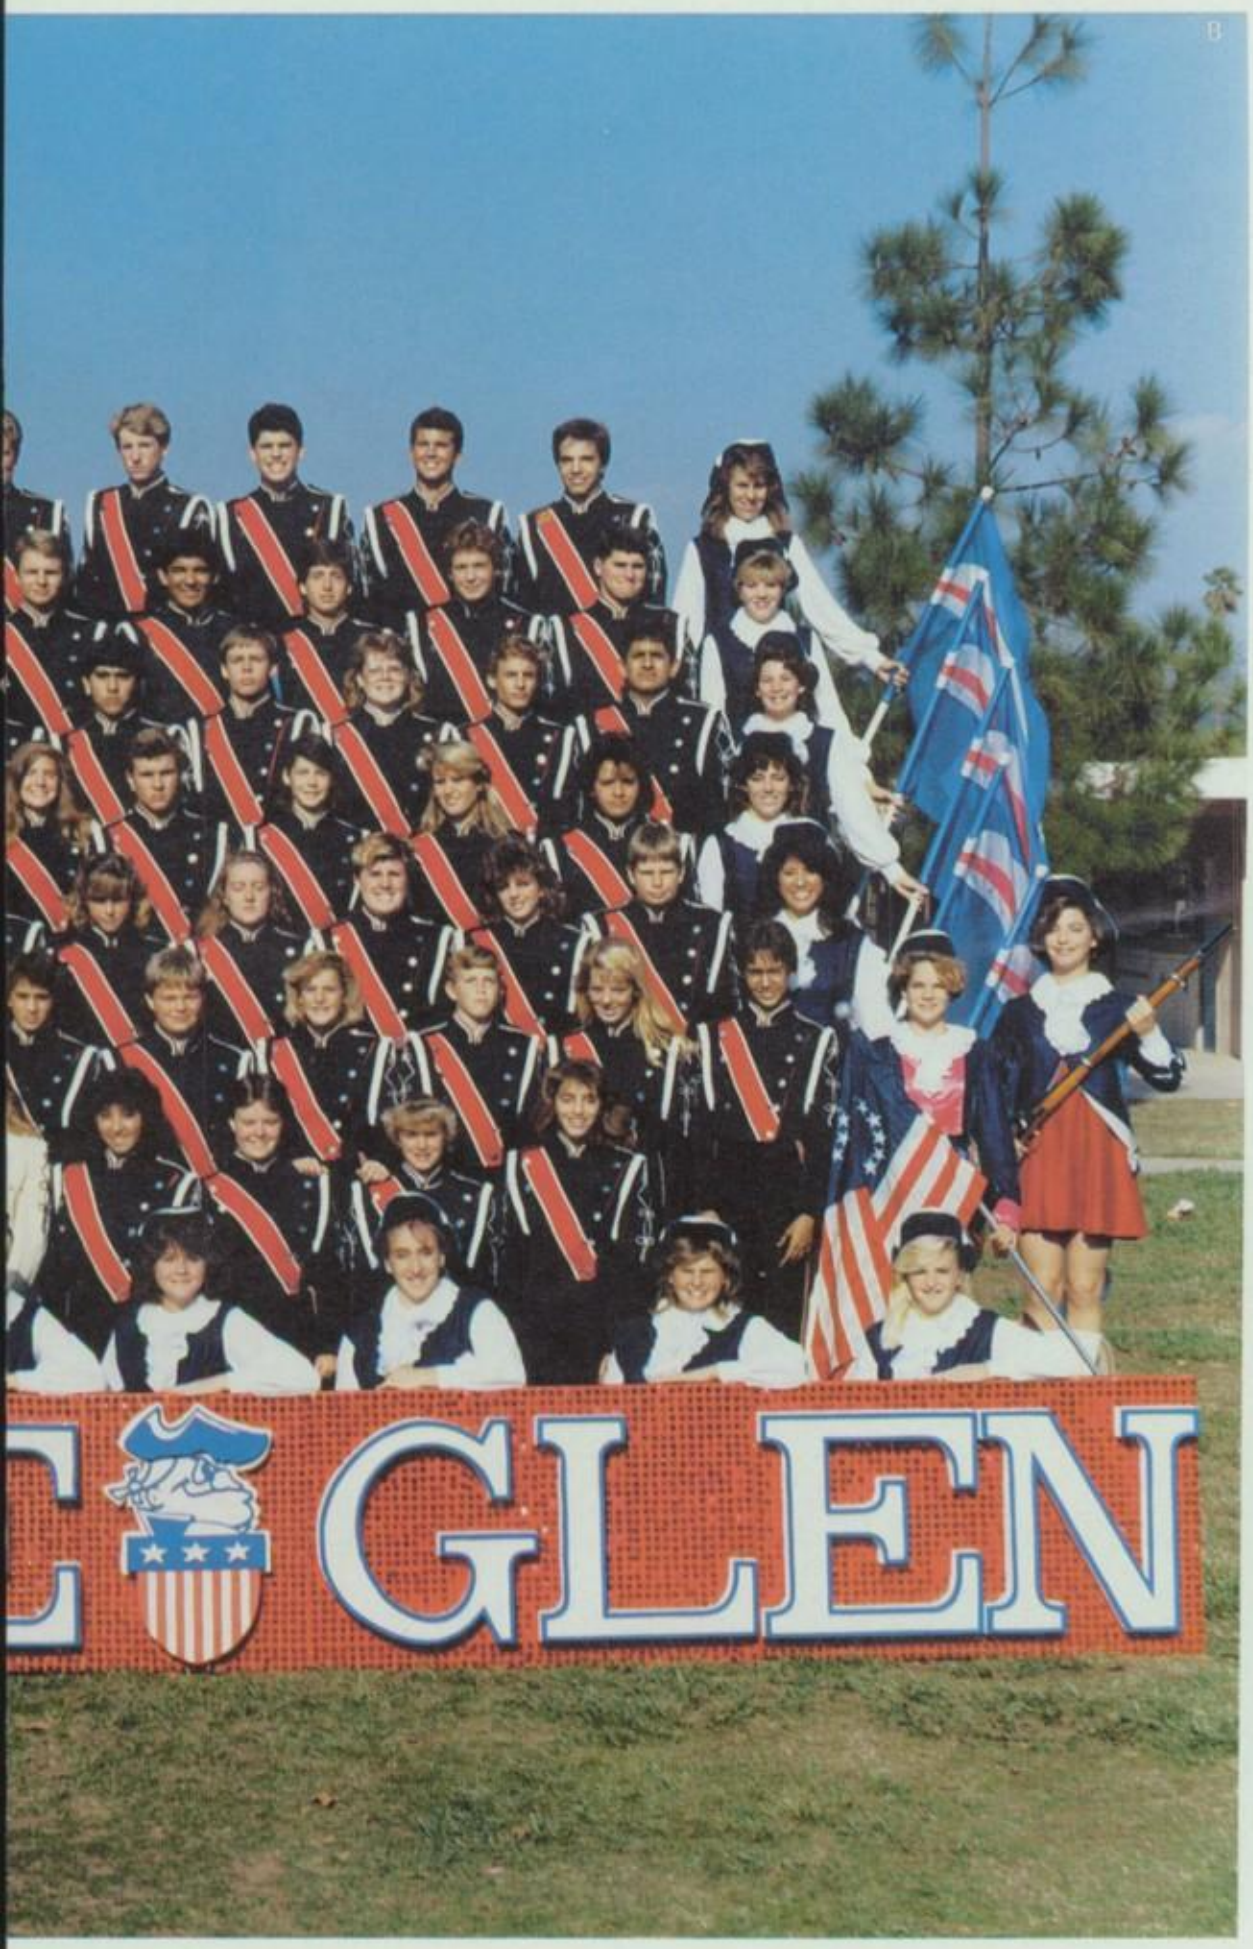
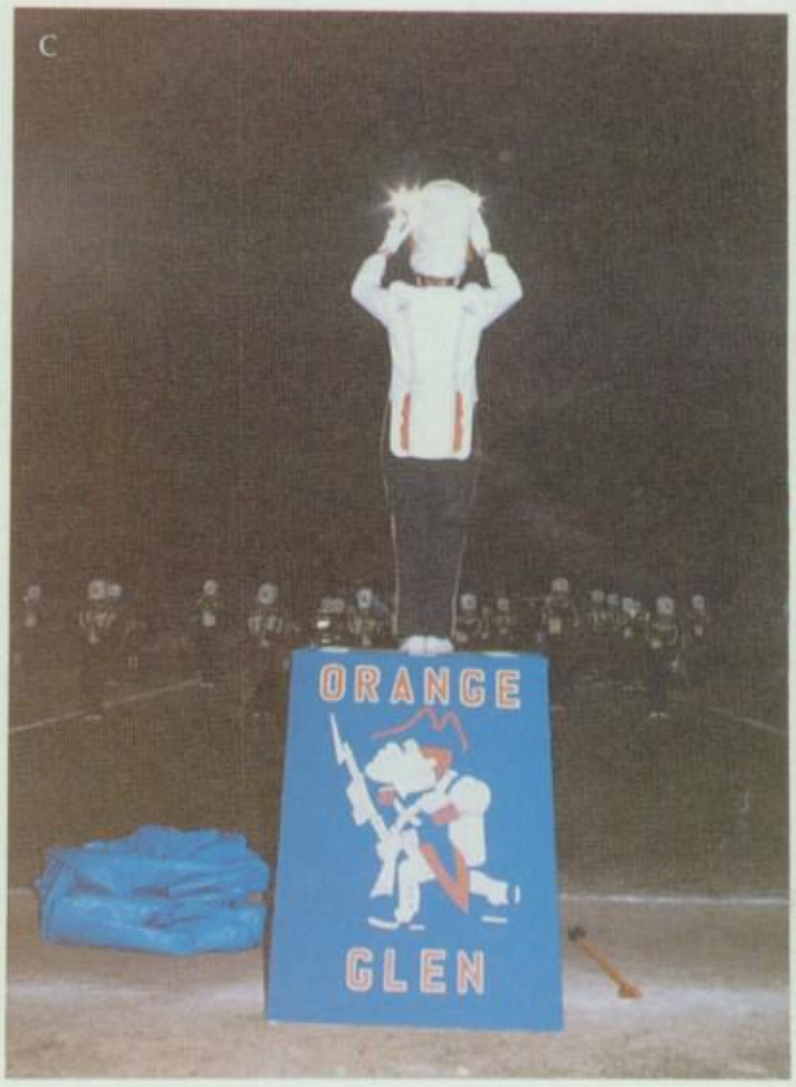
Band

Under direction by Mr. Banning the Orange Glen Patriot Band had an excellent year competing against other bands.

The band competed in both parade and field competition. The Orange Glen band recieved five first place awards in a field competion show, which was held at the Riverside City College. They also received three first place awards in a parade competition.



Drum Major Kathy DeMarco leads the band during half-time at a football game.



The Patriot Band also competed in many parades including the San Diego Columbus Day Parade, where they placed first in all events. The Rowland Heights Band Review and the Lester Oaks Band Review brought in many first place awards for the school. The West Arcadia Band Review was a tough competition where the band placed fourth. The band performed in the La Jolla Christmas Parade and the Escondido Christmas Parade. Mr. Banning got all three high school bands, Escondido, San Pasqual, and Orange Glen, together to practice and perform together in the Escondido parade.

The band is very excited about earning money and getting donations to get new uniforms for next year. The band is hoping to make it to the Rose Parade in the future.

Opus One poses at the Miramar Naval Station.

Opus One

Opus One, Orange Glen's co-ed vocal performing group, had an excellent year. They performed for civic groups everywhere, and never lacked in enthusiasm and good cheer. Among the places they went were the Elks Lodge and Senior Citizen Centers. The high point for the year was when they went to Miramar and performed for their first time ever at the change of command of a fighter squadron. Opus not only performed, but had fun! They had a swim party and one night TP'd their director, Mr. Banning's house!

Chorus

Chorus is open to both boys and girls and is an excellent group to join to make great friends. Towards the end of the school year all the vocal groups from Escondido High and San Pasqual came to perform at O.G. It was an excellent turnout!

String Of Pearls

String of Pearls, our female vocal group, performed at Christmas time at the North County Fair for Elizabeth Hospis. They sang and performed wonderfully and had great fun doing it!

NCAL

What is NCAL? It's North County Academic League. The coach, Pat Boldt, has been coaching the team for the past four years, and she says it's the strongest ever this year. NCAL competes academically against fourteen North County schools, in the Spring. The questions asked, pertain to areas students study in school, including Americal Literature, U.S. History and Mathematics.

Top players this year were Joel Rising and Jeff Rawlings, at the Varsity level, and Jim McCahill, Cindy Dreps, and Zalane Nunn, at the Jr. Varsity level.

Spanish Club

Organized by Mr. Jones and Mr. Lambert, the Spanish Club planned many activities. Some of the activities were going out to dinner once or twice a month to a Mexican Restaurant, one day trip to Olvera Street in Los Angeles, and some members went to see a bull fight in Tijuana. The president, Tammy Smith, and vice-president, Frank Escalante, enjoyed planning these activities with the members and advisers. This is also Mr. Jones' last year teaching Spanish at Orange Glen. He will be teaching in Melilla, Spain. Mr. Jones has been at Orange Glen for twelve years and we wish him luck on his new job in Spain.

he French Club had many members this year. The officers of the club were Molly Hansen, President, Darcy McLaughlin, Vice-President, Bo Guillen, Secretary, and Cynthia Wright, easurer. With the help of Mrs. Lent, the French teacher, they nned many activities. Some of the activities were an end-of-the-mester Progressive Dinner, dinner at a French restaurant, and a ture day- movies, games, and skits. The club also had several d raisers planned. The club members would also like to thank s. Lent for giving her time and effort and for allowing the students have a French Club.

German Club

The German Club had 55 members which made the club more interesting during activities. The club went on a ski trip to Mammoth and they planned trips to Magic Mountain and Sea World. Mr. Zittel was the advisor and the officers were Kevin Bree, President, and Dianne WAde, Vice-President. The German Club would like to thank Mr. Zittel for all his time and effort he put in organizing and planning the activities.

Junior Statesmen Of America

Junior Statesman of America, or J.S.A., is an organization for students who enjoy discussing and debating world political and social events. In just their second year president Sheila Holmes is planning a debate conference with Torrey Pines and a "How To" video about debating. Patrick Morrow, former president and current Southern Empire Region Mayor, started the club in 1984 after a friend told him of a chapter there.

In November, a number of students and teacher-advisor Alice Byrne, traveled to the Los Angeles Airport Hilton Hotel for an overnight conference. Another conference, held in May, was also attended by members of the chapter.

The group debated many items including capital punishment and the credibility of Santa Claus. Vice-president Gina Goldston moderates these debates. Many other debates are planned for the year.

NJROTC

The NJROTC is an organization which involves high school students to educate them in the aspects of the military. Orange Glen has a strong ROTC unit. This year they participated in many events. The ROTC students were in the Escondido Christmas Parade and received a trophy for participation. They also went on a field trip during which they toured the Battleship New Jersey at the Naval Station in San Diego.

Another activity they participated in was a navy field day with many competitions including academic and athletic competitions. Some of the Cadets took part in a "mini" boot camp at the Naval training center.

The Military Ball was held on May 23 in La Mesa. Mt. Miguel and Santana high schools co-hosted the event. A spectacular awards assembly was held on May 29 to showcase the outstanding members. All in all 1986-87 was a productive year for everyone involved.

Foreign Exchange

We had five students from five different countries in the foreign exchange program at Orange Glen High School this year. The countries represented were Denmark, France, West Germany, Spain, and Brazil. These individuals were an asset to our school. They had a chance to visit our country and they were glad to come. Welcome our newcomers to our country and our school if you have the chance.

rganized to teach students about retailing and merchandising, Distributive Education Clubs of America, DECA, has been one of our most successful organizations at Orange Glen.

The DECA chapter acquired several new assets this ar as a result of their hard work and achievements in e past. A new computer room was added to the end of e 30's wing for the computers part of the class. The om is airconditioned and modern as well as nice. CA also purchased an awning to put over the patio of the student store. This provides shade for the workers as well as keeping the food cooler and out of the sun! The chapter's president, Lane Johnson, and other members continued to manage the student store. In addition to their usual activities they produced a television show for channel 2.

This year the class will attend conferences in San Diego, Palo Alto, and the national conference in New Orleans, Louisiana. The DECA class is one that has always been an outstanding achiever at Orange Glen.

Academic Decathalon

Academic Decathalon is a team which competes academically with most of the San Diego County schools. This year Decathalon placed very respectably. Steve Palm and Chris LeBrun each placed first in Science and Mathematics, respectively.

One might ask, "What is Academic Decathalon?" One answer may be: "Academic Decathalon is a team which goes to UCSD to compete with the top 30 high schools in the area. They study all fields of academics: math, science, English, History, Civics, Speech, and current events."

Each student must write an essay and a speech to give in front of judges. Orange Glen has traditionally been a strong speech academic team and this year was no exception. Orange Glen placed very well in its class.

CSF

The California Scholarship Federation is a statewide service organization comprised of the top scholastic students. To qualify as a C.S.F. member a student must receive a minimum of 3A's and one B per semester. C.S.F. activities included the spring blood bank drive, assisting with fall registration, and a trip to Disneyland.

Students who have maintained membership for four semesters including one in their senior year are considered life time members. Special privileges for life time members include parking in the faculty parking lot, a gold tassle and sash at graduation.

Peer Counseling Helping Students

The peer counseling program was initiated at Orange Glen High School the fall of 1985. The first class was composed of fourteen students. Since then, the program has grown, and now consists of thirty students and is continueing to grow. Training period lasts for approximately one month, then counselors could be seen every day talking and listening with their counselees everywhere on campus and off.

S.A.D.D.

Students Against Driving Drunk, has a main goal of reducing the number of deaths on the highways due to alcohol and drug related traffic accidents. S.A.D.D. has tried to raise student awareness of the problem through posters and campus activities. During the car smashing event, students used a sledge hammer to smash a car that had been wrecked by a drunk driver. Members of S.A.D.D. also attended a "staying alive" training program designed to develop decision-making skills and participated in the San Diego County Youth for Sober Driving Spring Conference.

FFA is a National Organization of high school students interested in agriculture. FFA consists of many activities that extend the learning experience beyond the classroom. The agriculture students participate in activities such as raising animals for the fair, raising plants to sell and work in nurserys. Many students also work in pet stores and with veterinarians.

While FFA is a lot of work it is a lot of fun to. Every year the well prepared judging teams compete in the state judging contest in San Luis Obispo.

This program is an opportunity to prepare students for the future in any kind of field. FFA gives each individual student a chance to build self confidence and leadership skills that will last them the rest of their life.

Our friendly custodians.

Custodians And Security

Our custodians work very hard to keep Orange Glen's campus clean and in order. Besides keeping just the grounds and outdoors in good shape, their job also includes cleaning classrooms, unjamming lockers, and picking up discusting messes which often keep them at school on weekends, holidays, and evenings. The custodians are always willing to lend a helping hand and should be congratulated for a job well done.

The security system at Orange Glen prevented students from going off campus without passes or during lunchtime. Security guards also aided in the fights that often broke out during lunch due to close-campus. The security guards definitely take their job seriously while patrolling and keeping their eye on students.

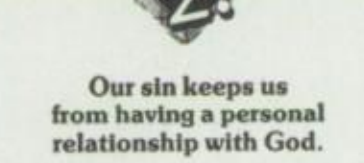
YOU were created with value and worth.
God wants your life to count.

Did you know . . .

1.

God loves you and created you to have a personal relationship with Him.

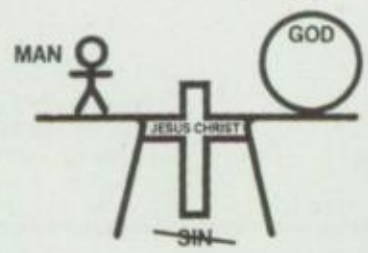


2.

Our sin keeps us from having a personal relationship with God.

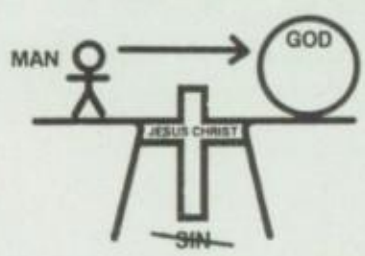
3.

Only through Jesus Christ can you have a personal relationship with God.



4.

You must personally respond by trusting Jesus Christ as Savior and Lord.



Used by permission.

News In 86-87

The City of New York gave the Statue of Liberty a big 1986 bash — a Fourth of July festival of song, celebrities and fireworks honoring the great lady's first 100 years.

Miss Tennessee Kellye Cash, the grandniece of star Johnny Cash, was crowned Miss Anerica 1987. She received the crown from outgoing Miss America Susan Akin.

Losing the Americas Cup four year's ago to Australia, Dennis Conner regained a great victory for America by winning back the cup. In the championship race Dennis Conner and the Stars and Stripes crew won four straight races to win the cup.

Britain's Prince Andrew married red-haired English commoner Sarah Ferguson in July at Westminster Abbey in a spectacle that mustered the pomp and glory of Britain's 920-year old monarchy. Andrew is the queen's second son and fourth in line to the throne.

New York Giants coach Bill Parcells is carried off the field after the Giants defeated the Denver Broncos — 39-20 — in Super Bowl XXI in Pasadena, California, on Jan. 25, 1987.

Caroline Kennedy, who captured America's heart as a little girl romping through the White House, married Edwin Schlossberg, a New York businessman and artist in Hyannis Port, Mass., on July 19, 1986.

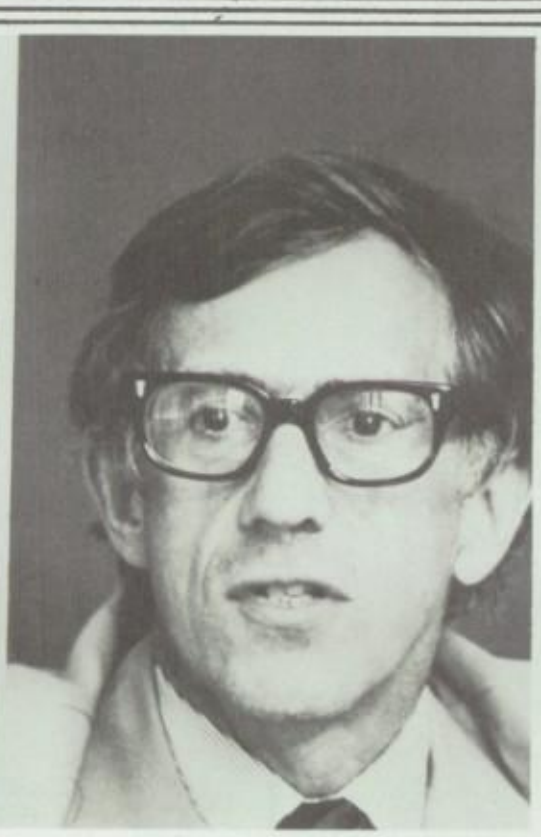
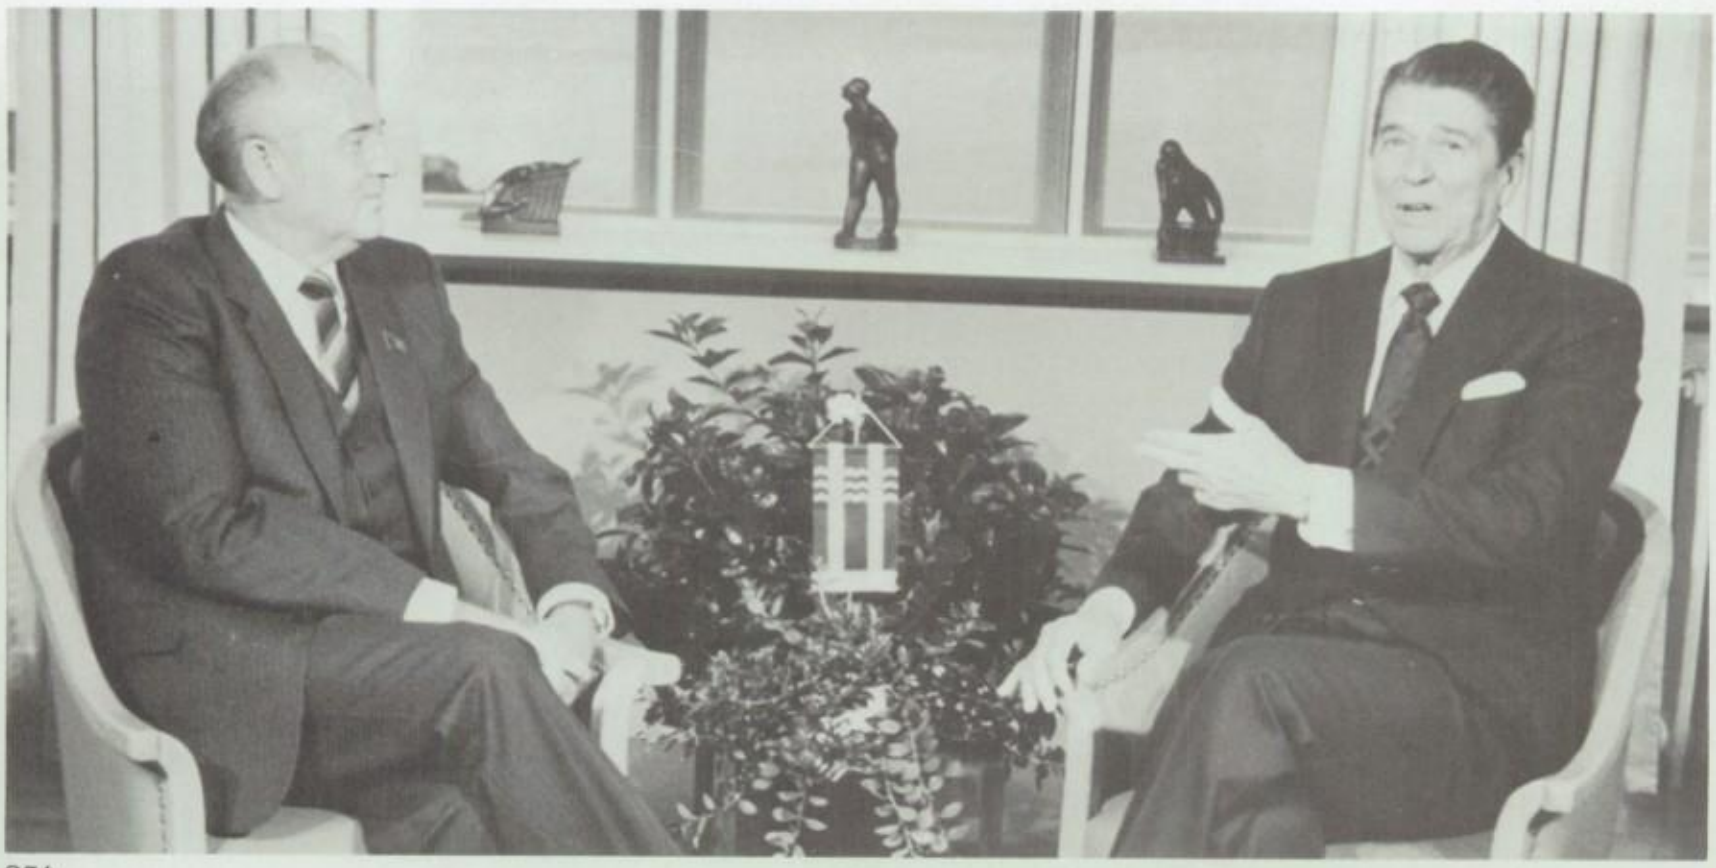
New York Mets Gary Carter is lifted in the air by relief pitcher Jesse Orosco following the Met 8-5 victory over the Boston Red Sox in the seventh game of the World Series in New York's Shea Stadium Monday night.

In The News



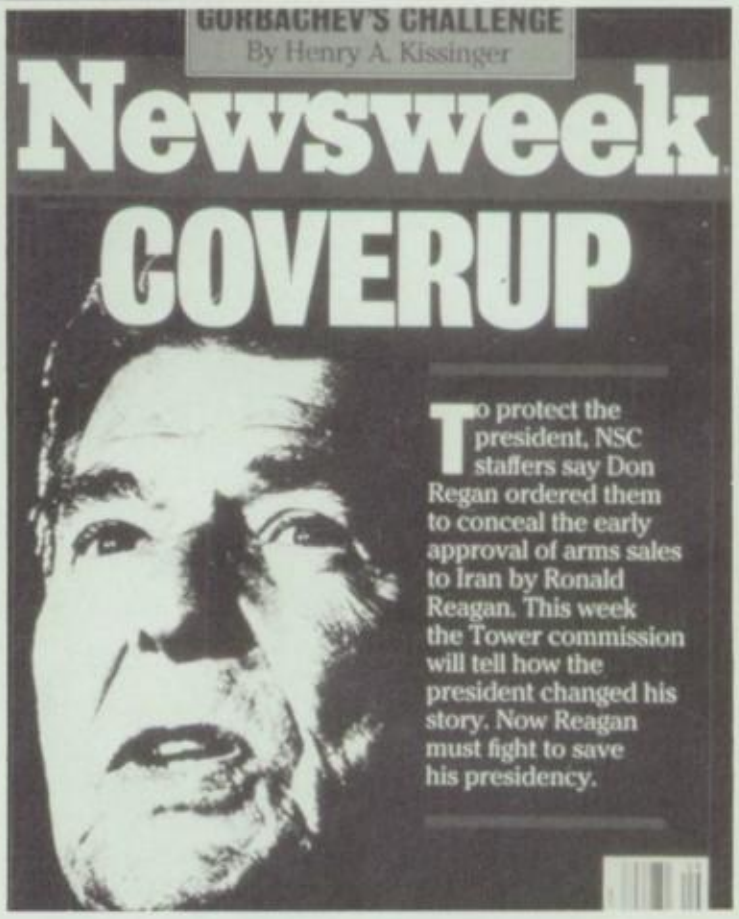
Gennadiy Zakharov, a Soviet U.N. employee was arrested on a subway platform in New York City and charged with spying. A week later American journalist Nicholas SDD Daniloff was arrested on the streets of Moscow and accused of spying on the Soviet Union. Both men were released within a few weeks and the entire affair set the stage for a super power Summit meeting in Iceland.

The president signed into law in October the broadest tax overhaul in a generation. The bill cut taxes for most workers while paring some prozed deductions and boosting the tax burden on corporations. Rep. Dan Rostenkowski, an Illinois Democrat, headed the House tax overhaul delegation and Sen. Bob Packwood, an Oregon Republican, headed the delegation from the House.



President Ronald Reagan and Soviet leader Mikhail Gorbachev met in Reykjavik, Iceland, for a two-day summit in October to discuss arms control. The two leaders reached an impasse on testing of the U.S. Stars Wars weaponry.

Two Arab terrorists stormed Istanbul's main synagogue on September 6, 1986, killing more than 20 worshipers with submachine-gun fire. When police arrived, the terrorists detonated hand grenades and killed themselves.



GORBACHEV'S CHALLENGE
By Henry A. Kissinger
Newsweek
COVERUP
To protect the president, NSC staffers say Don Regan ordered them to conceal the early approval of arms sales to Iran by Ronald Reagan. This week the Tower commission will tell how the president changed his story. Now Reagan must fight to save his presidency.

The Iran-Contra affair put the nation and the President in hot water. Last November 1986, it was discoverd that the United States was sending illegal arms to Iran and sending money made from those deals to the Contras in Nicaragua. The Contras are a group of revolutionary freedom fighters trying to overthrow the Communist government-the Ianstanistas. The question was whether or not the President knew of the deals or if he was completely unaware of what the NSC, National Security Counsel, was doing. Although President Reagan believed he was opening up relations with Iran, these actions quickly developed into an arms for hostage deal. The Fower commission found that Reagan did give the first go ahead to send arms to Iran in exchange for American hostages in Beirut. In a special televised national address President Reagan admitted he had made a mistake and the Nation should put this incident in the past and move on to other things in government.

After 20 years of ruling without serious challenge, Phillipine president Ferdinand E. Marcos was forced from office amid charges of corruption and scandal. The new president, Corazon Aquino, was faced with political and economic turmoil.

The Passing Of News 86-87

Deep under Lake Nios in Northeastern Cameroon, the earth belched. A bubble of scalding gas rose to the surface and the wind carried it across the land. Within minutes, more than 1700 people were dead, burned by steam and choked by carbon dioxide and toxic gases. (Among the casualities was a large group of cows)

A drought spread throughout the Southeast during 1986. It was the worst dry spell on record. At the peak of the drought, crops wilted from southern Pennsylvania all the way to northern Florida. Even after some rain, many farmers in the Carolinas, Georgia, Tennessee and Virginia were on the brink of ruin.

U.S. Air Force and Navy jets attacked five targets inside Libya under cover of darkness in April, delivering a response to what President Reagan called the "monstrous brutality" of Libyan-backed terrorism. (Among the targets was the Libyan Navel Academy, shown in the enclosed photo, located in a suburb of Tripoli.)

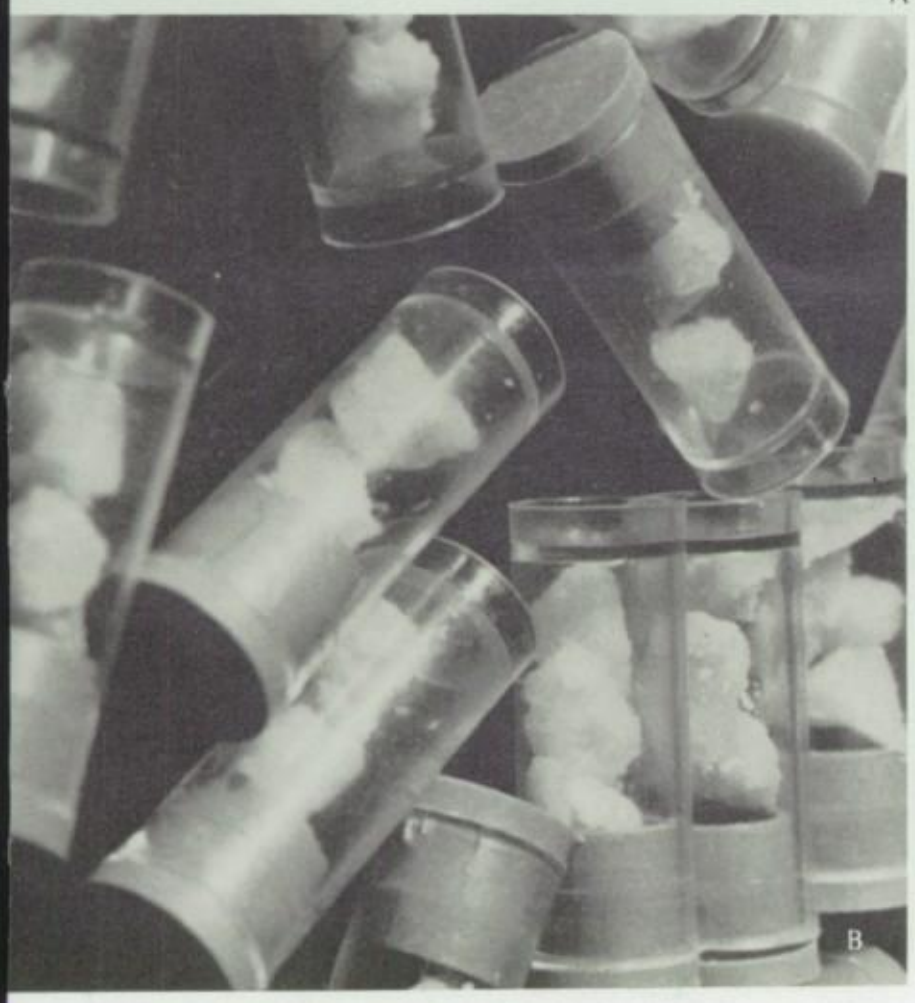
Local News

A

The call it "crack" on the East Coast and "rock" on the West Coast. Whatever its name is, this refined, smokeable form of cocaine may be the most addictive narcotic ever sold on the streets of America.

Distinguished School

In 1985 Orange Glen was chosen one of 30 California Distinguished High Schools. In 1986 Orange Glen has made the final round of competition of the National Secondary School Recognition Program. One of 47 high schools in the state and one of seven in San Diego County, Orange Glen was selected for high test scores, evidence of exemplary teaching practices and significant levels of parent and community involvement.

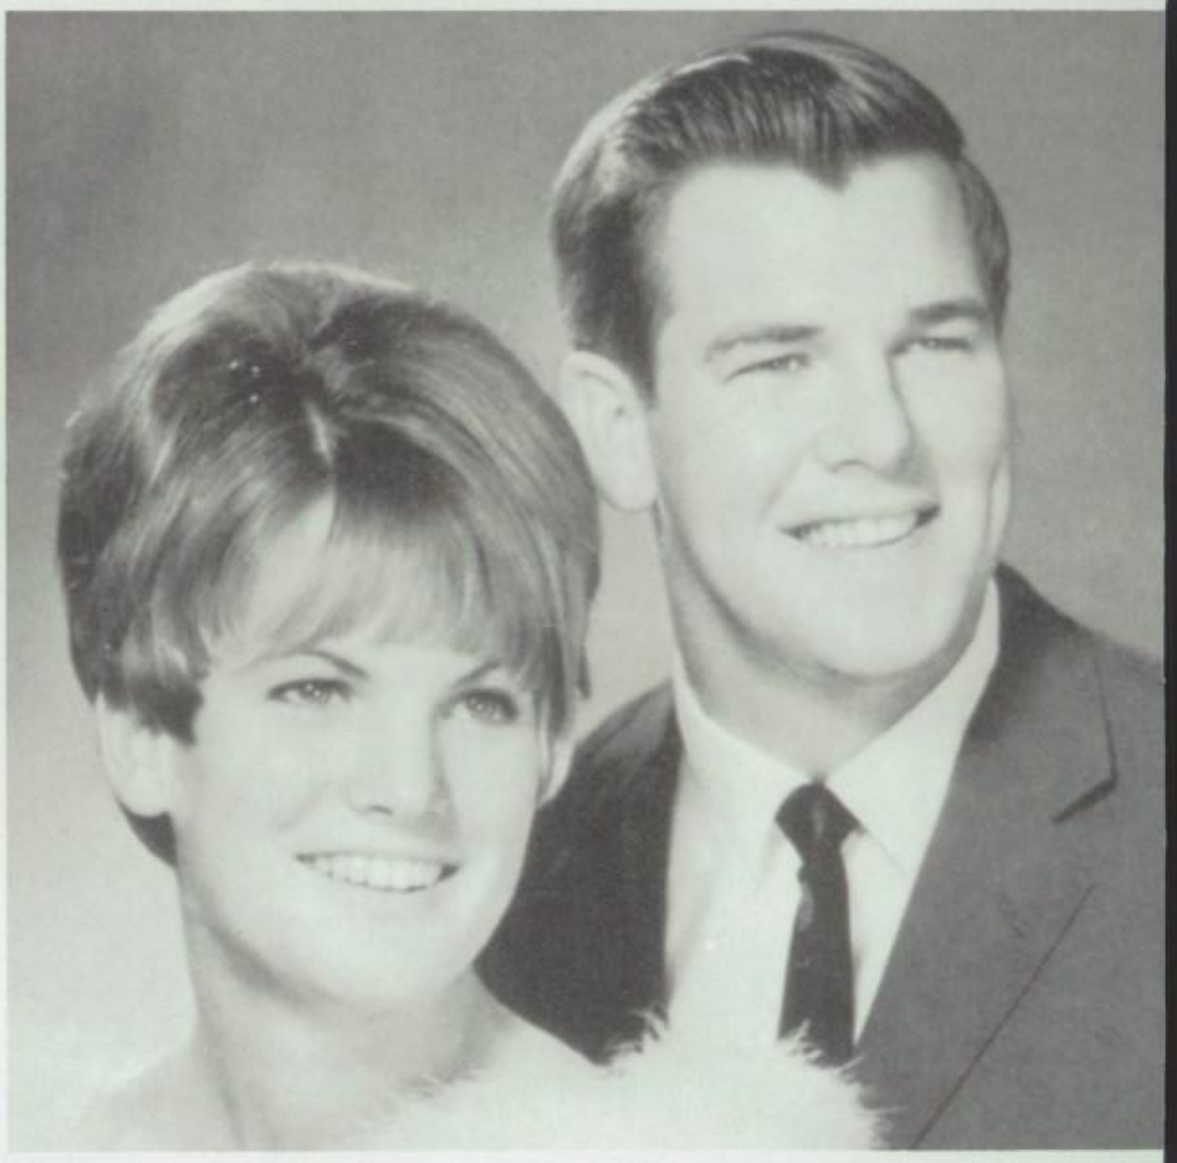


B

On January 16 Cara Evelyn Knott, 20, a student at San Diego State University was slain. A California Highway Patrol officer, Craig Alan Peyer, was arrested and charged with the murder of Cara Knott. There has not been a trial date set at this writing.

Drug Bust

In January of 1987, after Christmas vacation, seventeen students were arrested on charges of selling drugs to an undercover agent. Dr. Cooper, the superintendent, was the only person who knew about the undercover agent being on campus. The students who were caught were expelled from Orange Glen for the rest of the year. The majority of students believed it was a good idea to have an agent on campus to catch the people who sold drugs. But some students felt that it was not fair and they sould not put undercover agents on campus.



25 Years Of Memories

Orange Glen has undergone tremendous changes in the past 25 years. Pictured above are events and style differences that occured in the 1960's, 70's, and 80's.

A big event that occured was when it snowed in Escondido in 1967. There once was a sign to make the lawn reserved only for seniors also in 1967.

For hairstyles, we went from the

ORANGE GLEN vs. OCEANSIDE OCT. 8

bufant, to long and straight and parted in the middle to one of today's hairstyles, all one length with bangs.

Clothing has also taken a drastic change throughout the decades. In the 60's, it was girls-miniskirts, guys-white shirt and tie. In the 70's it was bell bottoms and in the 80's it's stretch pants and over-sized shirts for girls and 501's and a t-shirt for guys. Cheerleading uniforms have also varied in style.

Formal wear is another example of clothing changes. There are big differences in the way prom attire is displayed in 1974 and 1986.

Some students have even come back to be teachers after attending Orange Glen. An example is one of Orange Glen's present vice principals, Shirley Rehopkf. Also, pictured above is Coach and business teacher, Jerry Fenton as Homecoming Prince his senior year at Orange Glen.

Also pictured are Coach Disney, Coach Carlovsky, now Athletic Director, and Coach Turner, now A.S.B. ADvisor and Work Experience Coordinator.

Orange Glen has come a long way since it opened its doors for the first time 25 years ago.

Now you're gone, I realize.
You were a precious friend,
You brightened up my cloudy skies
And loved me to the end.
You lead me to my real self
And showed me who I am.

Brian,
it was fun in Algebra. I'm glad you're in my class. Hope you have a good summer. Maybe we can hang out sometime. Love ya, Jessica

P.S. I.T. stinks, and Mr. Kaplan rocks!

Brian,
You have been really sweet. Its been really fun this year. I can't say we had fun here in Mr. Parkers class because its not a fun class. Well have a fun and rad summer. And get a girlfriend.

Becky Durland

Brian,
It's been a great school year and I hope to see you next year.

Have a rad summer
This year was great
your a great friend.
Give me a call this
summer if you want
to do something

Dennis

To Brian,
Well hope I get to see you the summer, dude and hope you have lots of fun next year

Love your friend,
Barbie

Brian,
I'm really glad I got to know you this year. I didn't know that many people in Drama, so its good that I got to be your friend. Good luck in football and have a Cool summer.

Curtis

Brian
It's been a cool year and remember Gospel (girls) and the girls) Hope to see you over the summer Darian Weeks
You can't wait for 480-6293
